Western Intervention in the Balkans Roger D. Petersen, 2011-09-30 Conflicts involve powerful experiences The residue of these experiences is captured by the concept and language of emotion Indiscriminate killing creates fear targeted violence produces anger and a desire for vengeance political status reversals spawn resentment cultural prejudices sustain ethnic contempt These emotions can become resources for political entrepreneurs A broad range of Western interventions are based on a view of human nature as narrowly rational Correspondingly intervention policy generally aims to alter material incentives sticks and carrots to influence behavior In response poorer and weaker actors who wish to block or change this Western implemented game use emotions as resources This book examines the strategic use of emotion in the conflicts and interventions occurring in the Western Balkans over a twenty year period The book concentrates on the conflicts among Albanian and Slavic populations Kosovo Montenegro Macedonia South Serbia along with some comparisons to Bosnia

The Cambridge Handbook of Psychology and Human Rights Neal S. Rubin, Roseanne L. Flores, 2020-10-15 Written by psychologists historians and lawyers this handbook demonstrates the central role psychological science plays in

addressing some of the world's most pressing problems. Over 100 experts from around the world work together to supply an integrated history of human rights and psychological science using a rights and strengths based perspective. It highlights what psychologists have done to promote human rights and what continues to be done at the United Nations. With emerging visions for the future uses of psychological theory, education, evidence based research and best practices, the chapters offer advice on how to advance the 2030 Global Agenda on Sustainable Development. Challenging the view that human rights are best understood through a political lens, this scholarly collection of essays shows how psychological science may hold the key to nurturing humanitarian values and respect for human dignity. *Encyclopedia of Conflicts Since World War II* James Ciment, 2015-03-27 Thoroughly revised to include 25 conflicts not covered in the previous edition as well as expanded and updated information on previous coverage, this illustrated reference presents descriptions and analyses of more than 170 significant post World War II conflicts around the globe. Organized by region for ease of access, *Encyclopedia of Conflicts Since World War II* Second Edition provides clear in depth explanations of events not covered in such detail in any other reference source. Including more than 180 detailed maps and 150 photos, the set highlights the conflicts that dominate today's headlines and the events that changed the course of late twentieth century history. **Conflict Resolution and Peace Education** C. Carter, 2010-06-21 While featuring field based examples in multiple disciplines including political science, anthropology, communication, psychology, sociology, law and teacher training, this book presents real cases of conflict work. Explained are concepts underlying conflict transformation and strategies that have been adapted for use in professional practice. **Theatre for Peacebuilding** Nilanjana Premaratna, 2018-05-05 This book contributes to key debates in peacebuilding by exploring the role of theatre and art in general. Premaratna argues that the dialogical and multi voiced nature of theatre is particularly suited to assisting societies coming to terms with conflict and opening up possibilities for conversation. These are important parts of the peacebuilding process. The book engages the conceptual links between theatre and peacebuilding and then offers an in depth empirical exploration of how three South Asian theatre groups approach peacebuilding: Jana Karaliya in Sri Lanka, Jana Sanskriti in India and Sarwanam in Nepal. The ensuing reflections offer insights that are relevant to both students and practitioners concerned with issues of peace and conflict. **Peacemaking, Religious Belief and the Rule of Law** Paul J. Zwier, 2017-12-14 This book offers a new way of understanding the role of the mediator in teaching parties the interrelationship between sustainable peace, forgiveness and international justice. It argues that the arrival of social media presents new opportunities for reaching sustainable peace agreements through their use in gathering the detailed information that can match victims and perpetrators of past atrocities. The author aims to advance a more expansive understanding of the subjects and limitations of making peace in the shadow of international law by examining the concepts of mediation and forgiveness that exist alongside law. To that end, the book offers an account of the role of the mediator that emerges from the interplay between Ricoeurian imagination and forgiveness and predicts ever

greater opportunities for making peace and protecting human rights that can be facilitated by a harnessing of social media as a tool for making peace with justice The author also aims to examine how strategies for sustaining the peace must combat the inevitable frustrations with democracy that can lead to a slide into dictatorship Assad Obama and the UN leadership and their decisions concerning making and maintaining peace in Syria are used as case studies to examine the interplay between a leaders religious beliefs faith in democracy and rule of law and impulses towards totalitarianism **Reconciling Enemy**
