

TUESDAY, APRIL 28, 1874.

May 11, 1875

On looking over this diary of the year last year, I see that on the last page I said the last I had strength or courage to say in all that year. It was on the night of the 27 of April 74 that I first realized that my troubles had struck the nerve centers. The spine between the shoulder blades became greatly inflamed. This was the first time in my life that I ever felt I had a spine, always so strong. The mental agony I underwent of this day and those that followed I can never describe. Even now after more than a year, it distresses me to remember it.

It is only three weeks ago, that I could commence to lie or even turn onto my back even for a half minute, since that sad day which dates the top of this page almost thirteen months. I am much more pale now than then, but not as wretched in mind, calmer, nerves perhaps less excited, blood & fiber weaker & worse, an old invalid now, have passed much suffering and learned a little how to bear it.

Myers, 2008 By the beginning of the Civil War Massachusetts Senator Henry Wilson had established himself as one of the leaders of the Republican party Together with Abraham Lincoln and Henry B Stanton Wilson ranks as one of the three most important civilian figures that contributed to creating and sustaining the military As Chairman of the Senate Military Affairs Committee he introduced and succeeded in passing most of the necessary legislation to obtain and to support an army including the Enrollment Act of 1863 Wilson more than any other politician was responsible for influencing the successful passage of antislavery legislation during the Civil War years Contemporary newspapers gave him the primary credit for abolishing slavery in the District of Columbia which was the

most important abolition step prior to the Emancipation Proclamation When free Black men were admitted to the army Wilson worked hard to obtain equal pay for them Late in the war he played a major role in the creation of the Freedmen s Bureau Among his other legendary achievements Wilson used his influential position to support Clara Barton enabling her to aid wounded soldiers He also introduced and succeeded in having passed legislation creating the Congressional Medal of Honor and establishing the National Academy of Science *America, History and Life* ,1990 Article abstracts and citations of reviews and dissertations covering the United States and Canada The Life of Clara Barton Percy Harold Epler,1915 A biography made more interesting through the free use of unpublished war diaries and letters and personal recollections
