Sociological Reasoning Rob Stones, 1996-07-03 While sociological modernists were outrageously presumptuous in their claims for sociological knowledge postmodernists have gone to another extreme in claiming that it has no more truth status than fiction Critical of both positions Sociological Reasoning develops an original typology of approaches to social scientific theory and research which is distinguished by its openness and reflexive awareness of rhetorical and methodological aspects of knowledge claims Laced with graphic illustrative examples this is a strikingly well written text that will appeal to students at undergraduate level and beyond

Utilising Fiction to Promote English Language Acquisition Suhair Al Alami, 2013-07-29 The teaching of English in the United Arab Emirates is based upon the communicative approach and aims to enable EFL students to employ language skills for communication purposes as appropriate Personal experience and the author's colleagues observations however reveal that a number of EFL university students fail to achieve adequate communicative competence which in turn does not qualify them to exploit the foreign language of English as required by their curricula as well as by today's world Central to university education in the United Arab Emirates is critical thinking It seems reasonable then to assume that EFL university students are well equipped to tackle a reading text and to handle a writing task demonstrating through such activities an adequate repertoire of critical thinking skills Personal experience and the author's colleagues observations however indicate that this does not apply to a number of EFL university students

studying in the country Seeking an effective remedy the author argues that utilising literature in the EFL classroom would be beneficial in terms of many essential aspects Based on a three year research project conducted at a private university in Dubai involving a number of EFL students the book concludes with some suggestions with regards to what criteria to adopt when utilising literary texts The current book as such is expected to be of use and interest to applied linguists as the study proposes an approach to integrating the teaching of language literature communication and critical thinking with the ultimate goal of promoting communicative competence and enhancing critical thinking on the part of EFL learners curricula designers since the study introduces a course for the enhancement of communicative competence and critical thinking and EFL instructors because the study offers instructional material which can be adopted or adapted when teaching EFL university students
