Touch Geaux Cut Run 7:

Caught Running Abigail Roux,2025-01-13 These men bat for the other team Brandon Bartlett's plate isn't full it's overflowing Between the classes he teaches the students he tutors and the doctorate he's trying to study for he doesn't have time for the coaching position he's just gotten saddled with The coach didn't get along with him when they were students As co faculty things can only get worse Jake Campbell has always lived for the game Baseball got him a full ride to university and all it cost was a career ending injury Now he's stuck teaching PE at the same school he graduated from Jake's going nowhere fast unlike his new assistant coach who's got a runner's speed and a body to match The two men quickly grow close but neither wants to make the first move In small town Georgia striking out could cost far more than their friendship But the connection between them can't be denied and secrets can only be kept for so long With the end of the season fast approaching they're running out of chances to knock it out of the park This is a re release of the original without changes See this title's page on RiptidePublishing.com for content warnings

Ball & Chain Abigail Roux,2014-03-17 Home from their unexpected deployment the former members of Marine Force Recon team Sidewinder rejoin their loved ones and try to pick up the pieces of the lives they were forced to leave behind Ty Grady comes home to Zane Garrett only to find that everything around him has changed even the men he went to war with He barely has time to adjust before his brother Deuce asks Ty to be his best man But that isn't all Deuce asks Ty to do and Ty must call for backup to deal with the business issues of Deuce's future father in law Nick O Flaherty and Kelly Abbott join Ty and Zane at the wedding on an island in Scotland thinking they're there to assuage Deuce's paranoia But when bodies start dropping and boats start sinking the four men get more involved with the festivities than they'd ever planned to With the clock ticking and the killer just as stuck on the isolated island as they are Ty and Zane must navigate a veritable minefield of family friends and foes to stop the whole island from being destroyed

The Bone Orchard Abigail Roux,2014-08-11 After leaving a trail of terror and death in his wake the notorious Missouri Boone Jennings finally meets his match in San Francisco when US marshal Ambrose Shaw catches up to him The story of his capture and the marshal's bravery has already become legend back east by the time Pinkerton inspector Ezra Johns gets off the train from New York City to testify in the murderer's trial When Ambrose is unable to give witness to the evils he's seen Ezra becomes their lone hope for putting Jennings in a noose But if Ezra thinks that's his biggest problem he's got plenty to learn about life and the afterlife in the spirited West Fortunately Ambrose is there to assist and more than happy to oblige Ezra in the courtroom or the bedroom He spent his life bringing justice to the Wild West and if he has a say in it that's how he'll be spending his death too

Warrior's Cross Abigail Roux,2025-02-10 There's more to secrets than staying silent Cameron Jacobs doesn't like to pry At Tuesday's the upscale restaurant where he works he leaves his customers to their whispered conversations which he does not overhear His prudence is how he lands regulars like the handsome and mysterious man who requests Cam's section every week like clockwork Julian Cross is good at keeping his many stories

straight Where he s from What he does for a living Where he was at the time of the murder His line of work doesn t leave room for mistakes like the one he wants to make with the charming sexy and most importantly discrete waiter at his favorite restaurant Neither man wants a one night stand but even the brightest flames need fuel Cameron desperately wants to know his lover better but the answers to his questions could put them both in danger As Julian s past threatens to catch up with them Cameron will have to decide whether he can handle the truth This is a re release of the original without changes See this title s page on RiptidePublishing com for content warnings *Sticks & Stones* Abigail Roux,2024-06-17 In order to survive in the wilderness they ll have to survive each other After the case they just closed it s unsurprising FBI Special Agents Ty Grady and Zane Garrett are having trouble passing their psych evaluations The only thing worse than a near death experience is trying to lie to a shrink about it And the only thing worse than that is being stuck on desk duty after failing The two of them are soon ordered to take a vacation before their exasperated coworkers finish what the serial killer started Hoping to bolster their partnership in every sense of the word Ty invites Zane to visit his family in West Virginia and Zane accepts The mountains can t be that different from Texas right Snakes are snakes When they join Ty s father and brother for a hike deep into the woods the Grady family s dysfunction quickly becomes the least of their worries The weather is bad the wildlife is bloodthirsty and their fellow hikers are ready to break out the banjos Zane and Ty still have each other but whether that will make the trip or break it remains to be seen This is a limited re release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title s page on RiptidePublishing com for content warnings *Cross & Crown* Abigail Roux,2014-06-09 When Nick O Flaherty arrives at the scene of a double homicide to find he has a witness to the crime he thinks it s his lucky day But when he realizes his witness is suffering from amnesia and can t even remember his own name Nick wishes he d gone with his gut and put in for vacation time Then Nick s boyfriend and former Recon teammate Kelly Abbott joins him in Boston and Nick finds his hands a little too full as the case and his personal life collide The witness he s dubbed JD is being tailed by Julian Cross a retired CIA hitman To complicate matters further JD forms an attachment to Nick that Nick struggles not to respond to as they search for the key to JD s identity Trying to determine whether JD is friend or foe as they investigate the crime puts them on the trail of a much older mystery When multiple attempts are made on their lives Nick is forced to turn to old enemies and new allies to solve a centuries old crime before he and Kelly get added to the history books *Fish & Chips* Abigail Roux,2024-06-24 Their romance is entering rough waters After almost dying on their hiking trip Special Agents Ty Grady and Zane Garrett have a moratorium on the word vacation This makes it hard to discuss their newest case an undercover operation aboard a cruise ship in the Caribbean Their mission is to collect information by posing as Corbin and Del Porter a pair of wealthy international smugglers who also happen to be happily married It takes less acting than either man expects and not just because both smugglers are out and proud Del is a coddled trophy husband with a penchant for

short shorts while Corbin is possessive and jealous happiest with cards in one hand and an expensive drink in the other As they settle into their roles the lines around what s pretend and what s real begin to blur Even undercover Corbin and Del have big problems They have an enemy aboard the ship though whether it s their criminal connections the authorities or some mysterious third party isn t clear No one on this ship trusts anyone else and if Ty and Zane can t change that they re going to end up dead This is a limited re release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title s page on RiptidePublishing com for content warnings
