The Debaters of This Age Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

Gospel Witness David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David

Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement. Introducing God's human drama as a way to explain the gospel within God's redemptive story, he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations. Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today. *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004. *Zion's Herald*, 1904. *A God Entranced Vision of All Things* John Piper, Justin Taylor, 2004-08-10. Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything unless it be God's own gracious spiritual presence amongst them; they are precious gifts of heaven. Certainly one of the most useful men in evangelical history was the man who preached those words: pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks; most often excerpts from his best known sermon, *Sinners in the Hands of an Angry God*. They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens.
