Tour Tempo 2 John Novosel, John Garrity, 2012 *Tour Tempo 2* John Novosel, John Garrity, 2011-10-17 John Novosel's *Tour Tempo* published by Doubleday in 2004 was an instant classic Its central argument that tempo the most important fundamental of the golf swing can be learned quickly and easily without expensive lessons or exhaustive practice is now accepted by swing coaches at every level of the game But *Tour Tempo* now in its 11th printing covered only the full swing shots Now Team Novosel is back with a sequel devoted to the short game the putts chips and greenside pitches that make up the majority of strokes played in a round of golf *Tour Tempo 2 The Short Game* they jab at the ball with arrhythmic strokes that produce skulls shanks and fat shots But now simply by practicing to Novosel's short game tones the weekend golfer can master the correct rhythm in minutes Got the dreaded yips with your putter or chipping club TT2 has the cure Can't hit those little knockdown shots from 40 to 60 yards TT2 gives you the feel for the tournament player's favorite stroke saver Terrified of greenside bunker shots TT2 reveals the tempo secret that makes sand play so easy for tour pros *Tour Tempo 2* is more than a short game tutorial The full swing is explored in several chapters that pick up where the first book left off providing deeper understanding of the underlying principles and the changing paradigms of golf instruction Then the Novosels dish about Tiger Phil Yani et al in a section called The Pro Spective on Tempo Each section includes a sampling of reader FAQs and there are two chapters of Little Red Book in which the inventor and his oldest son bolster their data with anecdotes culled from six years as tempo consultants to golfers of all abilities
