Telfer, 2002 This text explores the role of tourism as a potential contributor to socio economic development in destination areas Establishing a link between tourism studies and development studies it considers what is meant by development the processes through which development may be achieved and in particular a number of fundamental issues related to the use of tourism as a development agent In so doing it challenges conventional thinking about the relationship between tourism and development **Tourism and Development** Richard Sharpley, David J. Telfer, 2007 **Historical Abstracts**, 2000 *Sustainable Tourism Development*, 2017 **Tourism, Planning, and Community Development** Rhonda Phillips, Sherma Roberts, 2013-09-13 The intersection of community development tourism and planning is a fascinating one Tourism has long been used as a development strategy in both developed and developing countries from the national to local levels These approaches have typically focused on economic dimensions with decisions about tourism investments policies and venues driven by these economic considerations More recently the conversation has

shifted to include other aspects social and environmental to better reflect sustainable development concepts Perhaps most importantly is the richer focus on the inclusion of stakeholders An inclusionary participatory approach is an essential ingredient of community development and this brings both fields even closer together It reflects an approach aimed at building on strengths in communities and fostering social capacity and capital In this book the dimensions of the role tourism plays in community development are explored A panoply of perspectives are presented tackling such questions as can tourism heal How can tourism development serve as a catalyst to overcome social injustices and cultural divides This book was originally published as a special issue of Community Development **Tourism Development** Christopher P.

Cooper, Stephen Wanhill, 1997 **Tourism Development and Economic Growth** Organisation for Economic Co-operation and Development. Technical Assistance Programme. Seminar on Tourism Development and Economic Growth, 1967

Tourism Concepts and Principles Zeeshan Norris, 2018 *Tourism, Recreation, and Sustainability* Stephen F. McCool, R. Neil Moisey, 2008 This book is designed to illustrate many of the issues and approaches associated with sustainable tourism development policy and research Included are case studies of tourism development using both quantitative and qualitative methods analytical frameworks for managing tourism and chapters addressing critical questions about the relationship between tourism and sustainability goals As a whole the book demonstrates the many dimensions and topics associated with attempts to address the complex issues associated with sustainability and tourism Added in this second edition are several new chapters that address emerging issues in management of tourism Part I Frameworks and Approaches discusses the need for integration of social and environmental issues in tourism development Part II Tourism and Place explicitly recognizes the importance of understanding the values and attributes of areas that become tourist destinations Part III Emerging Issues in Culture and Tourism illustrates that we live in a dynamic world that what was once acceptable is no longer that our mental models of tourism development are in constant change and that researchers and policy makers must be alert to shifting public values and beliefs This part includes material on local attitudes poverty alleviation indigenous people and tourism and a discussion about culture and tourism The book has 16 chapters and a subject index **Tourism as an Instrument for Development** Eduardo Fayos-Sola, Maria D. Alvarez, Chris Cooper, 2014-07-11 Articulates and debates the concept and methodology of tourism assisted development This book examines the theoretical bases of contemporary real case development projects and illustrates the way tourism can effectively and efficiently focus on development issues while minimizing undesired impacts on the natural and cultural environments
