What Love Is This Calvinism's Misrepresentation Of God:

What Love is This? Dave Hunt, 2002 Dave Hunt challenges Calvinism's representation of God debating this theology's basic tenets and exploring their influence in the church today

What Love is This? Dave Hunt, 2002 *What Love is this? Calvinism's Misrepresentation of God* Dave Hunt, 2002

Debating Calvinism Dave Hunt, James White, 2004-02-04 A centuries old belief system is put to the test as two prominent authors examine and debate the subject of Calvinism from opposing viewpoints James White author of *The Potter's Freedom* takes the Calvinist position Dave Hunt author of *What Love Is This* opposes him The exchange is lively and at times intense as these two articulate men wrestle over what the Scriptures tell us about God's sovereignty and man's free will This thought provoking challenging book provides potent responses to the most frequently asked questions about Calvinism Is God free to love anyone He wants Do you have any choice in your own salvation It's time to find out Calvinism has been a topic of intense discussion for centuries In this lively debate two passionate thinkers take opposing sides providing valuable responses to the most frequently asked questions about Calvinism Only you can decide where you stand on questions that determine how you think about your salvation

Story Behind the Book The subject of Calvinism has been hotly debated for many years and now two prominent authors and researchers will debate this controversial topic in a book debate This project came about when Mr Hunt wrote *What Love is This Calvinism's Misrepresentation of God* Mr Hunt was challenged by many on the Calvinist bench and he eventually agreed to do a debate in a book format The book's purpose is to get you to think and come to your own conclusions

What Love Is This? (RUSSIAN Edition) Dave Hunt, 2013-05-08 A Brief Word DISCUSSIONS WITH NUMBERS of people around the world reveal that many sincere Bible believing Christians are Calvinists only by default Thinking that the only choice is between Calvinism with its presumed doctrine of eternal security and Arminianism with its teaching that salvation can be lost and confident of Christ's promise to keep eternally those who believe in Him they therefore consider themselves to be Calvinists It takes only a few simple questions to discover that most Christians are largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and practiced Nor do they fully understand what most of today's leading Calvinists believe Although there are disputed variations of the Calvinist doctrine among its chief proponents whom we quote extensively in context there is general agreement on certain core beliefs Many evangelicals who think they are Calvinists will be surprised to learn of Calvin's belief in salvation through infant baptism and of his grossly un-Christian behavior at times as the Protestant Pope of Geneva Switzerland Most shocking of all however is Calvinism's misrepresentation of God who is love It is our prayer that the following pages will enable readers to examine more carefully the vital issues involved and to follow God's Holy Word and not man

THE FIRST EDITION of this book was greeted by fervent opposition and criticism from Calvinists In this enlarged and revised edition I have endeavored to respond to the critics Dave Hunt

[Calvinism in the Las Vegas Airport](#) Richard J. Mouw, 2010-12-21 What do the Canons of Dordt

mean to people in the Las Vegas airport and does anyone there even care In the movie Hardcore a pious Calvinist elder tries unsuccessfully to explain the TULIP theology of his Dutch Reformed faith to a prostitute in the Las Vegas airport This incongruous conversation demonstrates how Calvinism is often perceived today irrelevant harsh even disrespectful Beginning with this movie scene Calvinism in the Las Vegas Airport addresses the weaknesses of Calvinism and points to its strengths How does Calvinism shed light on today Instead of reciting the Canons of Dordt what s a more compassionate way to relate to nonbelievers What might it look like to live out the doctrines of TULIP with gentleness and respect This conversational book provides answers and shatters some stereotypes Calvinism in the Las Vegas Airport encourages you to live every aspect of life business family education politics activities and more before the face of a generous sovereign God Calvinists and non Calvinists alike will find this an enjoyable read You will discover that Reformed theology can speak relevantly and compellingly today both to you and to people in the Las Vegas airport Does Calvinism Have Anything to Do with the 21st Century What do you think about Calvinism Do you view it positively or negatively Or has its day passed Let s face it many non Calvinists hold a less than positive view sometimes due to caricatures This friendly conversational book helps clear up some misconceptions and distorted views If you re not a Calvinist here is an engaging inside look And if you are a Calvinist Richard Mouw shows how to live gently and respectfully with others Christians and non Christians who hold different perspectives Calvinism in the Las Vegas Airport focuses not on what Calvinists believe but on how they live From a movie scene to the author s personal experiences in Las Vegas you are invited to travel with Mouw and see the Reformed faith in a new light Yes it still does travel well

God's Love in the End Times Warren R. Angel, 2008-07 This book discusses false ideas about God s love especially among Christians and clarifies biblical ideas notably that God will never stop

loving anyone that God's sovereignty is subject to his love and that no believer will be left behind at Christ's return Enables every believer to say no matter what their situation in life I know God loves me

Excusing Sinners and Blaming God Guillaume Bignon, 2017-12-11 Calvinist determinism destroys moral responsibility and makes God the author of sin These two accusations are not new and were arguably anticipated by Paul in Romans 9 but they remain today the most important objections offered against Calvinist determinist views of human free will This book is a philosophically rigorous and comprehensive defense of Calvinism against these two families of arguments With respect to human moral responsibility it discusses whether determinism destroys free will turns humans into pets or puppets and involves or is analogous to coercion and manipulation It responds to the consequence argument and direct argument for incompatibilism the principle of alternate possibilities the ought implies can maxim and related claims With respect to the authorship of sin it discusses whether Calvinist determinism improperly involves God in evil Does it mean that God sins or causes sin or wills sin in problematic ways Does God intend our sin or merely permit sin In each case the coherence of the Calvinist view is defended against its most potent objections to reject the claim that Calvinism is excusing sinners and blaming God

The Extent of the Atonement David L. Allen, 2016-06-01 The extent of Christ's atoning work on the cross is one of the most divisive issues in evangelical Christianity In *The Extent of the Atonement: A Historical and Critical Review* David L Allen makes a biblical historical theological and practical case for a universal atonement Through a comprehensive historical survey Allen contends that universal atonement has always been the majority view of Christians and that even among Calvinist theologians there is a considerable range of views Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement Allen affirms that an unlimited atonement is the best understanding of Christ's saving work He concludes by showing that an unlimited atonement provides the best foundation for evangelism missions and preaching

Going Deeper with God Douglas L. Mead MSSW, 2021-06-30 Thank you very much for inviting me to read this book I found it to be a real spiritual journey a refresher to a relationship I have enjoyed with our Lord for sixty years and a treasure trove of new insights and clarifications that serve to strengthen my faith in God Jack Conlin CPA CGMA retired director of corporate finance the Salvation Army US Southern Territory *God Wants a Deeper Relationship with You* This book digs deeper into exploring many of the challenges we face in establishing and maintaining a meaningful relationship with God Unfortunately there are many differing viewpoints out there in the Christian community about this which is creating much confusion We hear messages saying God is in control of every single thing We hear we must listen for the voice of God We hear God has a plan for our lives We hear we are to get out of the way and let God handle our problems We hear various ideas of how the Holy Spirit works We hear God's providence will protect us from harm Many people are being drawn to Christian teachings which speak of a mighty God who wants to regularly do big audacious and miraculous things in people's lives Although this sounds enticing how does God really interact with us and our world To dig deeper we must question more Therefore topics are

addressed with probing questions and insightful analysis So we ask How important is it for us to find the truth about God If faith is built on false premises how good can that faith be Many topics are addressed and each chapter is full of interesting details This book is also a great resource for Bible classes and sermon material **The Doctrines of Grace in an**

Unexpected Place Mark R. Stevenson, 2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by Do human beings possess free will to embrace or reject the gospel Did Christ die equally for all people or only for some These questions have long been debated in the history of the Christian church Answers typically fall into one of two main categories popularly known as Calvinism and Arminianism The focus of this book is to establish how one nineteenth century evangelical group the Brethren responded to these and other related questions The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world Although many critics have assumed the movement's theology was Arminian this book argues that the Brethren with few exceptions advocated Calvinistic positions Yet there were some twists along the way The movement's radical biblicism passionate evangelism and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism's soteriological principles the so called doctrines of grace Getting the Gospel Right - A Balanced View of Salvation Truth

Carl Gordon Olson, 2005-11 A revised and abridged edition of Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 Reprobation and God's Sovereignty Peter Sammons, 2022-01-25 God's right to

judge humanity is written on the very fabric of human existence The doctrine of reprobation that is the eternal unconditional decree of God for the non elect is frequently misconstrued in both pastoral and theological literature In Reprobation and God's Sovereignty Peter Sammons reintroduces this oft misunderstood doctrine revealing its relationship to divine sovereignty With Romans 9 as a guiding text Sammons presents a thoroughly researched defense of reprobation as an essential part in a Reformed theology that magnifies God and encourages believers to trust in him Reprobation and God's Sovereignty clearly defines and demonstrates from Scripture the foundational terms and doctrines required for properly understanding reprobation such as God's justice Election Compatibilism Secondary causality Preterition Predamnation Understanding these theological ideas proves vital to answering life's all important question Who is God Sammons shows how the doctrine of reprobation leads to a greater admiration for God eliciting higher praise reverence and belief in him Love, Freedom, and Evil Thaddeus J. Williams, 2011-01-01 The defining premise of the Relational Free Will Defense is the claim that authentic

love requires free will Many scholars including Gregory Boyd and Vincent Brummer champion this claim Best selling books such as Rob Bell's *Love Wins* echo that love cannot be forced manipulated or coerced It always leaves room for the other to decide The claim that love requires free will has even found expression in mainstream Hollywood films including *Frailty* *Bruce Almighty* and *The Adjustment Bureau* The analysis shows convincingly that the claim that authentic love requires free will does not meet the criteria of consistency compatibility with Scriptural sources and the demands of concrete encounter with problems of moral evil

Why I Am Not a Calvinist Jerry L. Walls, Joseph R. Dongell, 2013-06-06 Paying particular attention to the issue of God's sovereignty Jerry L Walls and Joseph R Dongell critique biblical and theological weaknesses of Calvinist thought

The Great Divide Jordan Cooper, 2015-08-27 Since the sixteenth century the Protestant tradition has been divided The Reformed and Lutheran reformations though both committed to the doctrine of the sinners justification by faith alone split over Zwingli and Luther's disagreement over the nature of the Lord's Supper Since that time the Reformed and Lutheran traditions have developed their own theological convictions and continue to disagree with one another It is incumbent upon students of the reformation in the Lutheran and Reformed traditions to come to an understanding of what these differences are and why they matter In *The Great Divide A Lutheran Evaluation of Reformed Theology* Jordan Cooper examines these differences from a Lutheran perspective While seeking to help both sides come to a more nuanced understanding of one another and writing in an irenic tone Cooper contends that these differences do still matter Throughout the work Cooper engages with Reformed writers both contemporary and old and demonstrates that the Lutheran tradition is more consistent with the teachings of Scripture than the Reformed

Cracking Calvin Dennis R. Wilson, 2021-09-22 Is it really impossible for the average person to hear the gospel and come to Christ by inviting him into your life Is it true that God has determined your eternal destiny even before you were born Christ seems to invite everyone to himself throughout the pages of the New Testament but is this a hoax Calvinists have been relegated to a closet inside of evangelicalism for nearly five hundred years but they have broken out and have become aggressive in their promotion of what they call their Doctrines of Grace even to other Christians This book will help if your friend is a Calvinist and is promoting what sounds logical to your ears It will give you answers if your new pastor is promoting Reform Theology in your church Written in a easy to read handbook format *Cracking Calvin* will give you the answers to these and other questions that you have been searching to find

For Whom Did Christ Die? Jarvis J Williams, 2014-07-08 A careful and exegetical reading and examination of the Pauline passages that suggests particular atonement together with a thorough engagement with contemporary scholars on the subject In *For Whom Did Christ Die* Williams argues that according to Paul Jesus died exclusively for the elect to achieve their salvation The book attempts to show that particular atonement is not simply an abstract theological doctrine imposed on the text by theologians and void of a biblical or exegetical foundation but that this doctrine is biblical is Pauline and that particular atonement can be detected in Pauline theology by means of a careful exegetical analysis of the relevant Pauline

texts and of the relevant texts in the Old Testament and Second Temple Judaism God Reforms Hearts Thaddeus Williams, 2021-08-11 Must we be free to truly love Evil is a problem for all Christians When responding to objections that both evil and God can exist many resort to a free will defense where God is not the creator of evil but of human freedom by which evil is possible This response is so pervasive that it is just as often assumed as it is defended But is this answer biblically and philosophically defensible In God Reforms Hearts Thaddeus J Williams offers a friendly challenge to the central claim of the free will defense that love is possible only with true or libertarian free will Williams argues that much thinking on free will fails to carve out the necessary distinction between an autonomous will and an unforced will Scripture presents a God who desires relationship and places moral requirements on his often rebellious creatures but does absolute free will follow Moreover God's work of transforming the human heart is more thorough than libertarian freedom allows With clarity precision and charity Williams judges the merits and shortcomings of the relational free will defense while offering a philosophically and biblically robust alternative that draws from theologians of the past to point a way forward
