What the Bible Says—and Doesn't Say—About Homosexuality John Teller, 2016-03-07 Have you ever wondered what the Bible has to say about homosexuality A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts This book is intended to refute this fundamentally flawed view and to respond to one of its principal propagators the Rev Dr Mel White The Rev Mel White's *What the Bible Says and Doesn't Say About Homosexuality* is a treatise that argues that the Bible when correctly understood neither condemns nor prohibits homosexual relationships between loving committed same sex partners The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God but as reflections of societal tastes and preferences Even if such prohibitions were based on Old Testament biblical laws Dr White argues such laws have no application or bearing on contemporary Christians who fall under the law of grace Dr White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct At last there is now an answer to Dr White's treatise In this volume John Teller sets forth a systematic reply to each of Dr White's defenses of homosexuality John Teller thoroughly replies to refutes and rebuts each of Dr White's arguments on a detailed point by point basis The present volume is indispensable to the Christian studying human sexuality in light of biblical principles

Dill,2010-05-21 In the Beginnings is a defense of the biblical Gap Theory of Creation This theory once popular in the late 19th and early to mid 20th centuries has been rejected by many modern day creationists as being without biblical or scientific support This book takes an in depth look at both science and the Bible Its purpose is to show how the Gap Theory better fits the scientific and biblical facts More importantly its main purpose is to reach out to unbelievers who think the Bible teaches things contrary to science True scientific facts and true Biblical truths do not contradict The basic assumption of the author is that God is smart enough and powerful enough and sovereign enough to make His Works and His Words agree Because God reveals His invisible attributes in His handiwork the author uses both God's Word and His work to share the Gospel of Jesus Christ Dr Steven Dill once a staunch evolutionist began investigating creationism after becoming aware of some scientific facts that seemed incompatible with his own beliefs Taking the position that truth will stand the test he began challenging even his own ideas about the origin of the universe His conclusion was that true scientific facts and true Biblical truths do not contradict and in this book he presents a new look at an old theory that preserves the integrity of both science and the Bible He earned his Bachelor's Degree in Biology in 1979 and his Doctorate of Veterinary Medicine in 1985 at the University of Missouri Columbia He is currently a practicing veterinarian in Jeffersonton Kentucky where he lives with his wife Linda and two dogs Samwise Gamgee and Rosie Cotton His two sons Tom and James have grown into fine young Christian men who make their parents proud **Everything You Ever Wanted to Know About the Bible But Didn't Know Who to Ask** Floyd Hale,2004-04-20

You Are Not Going to Heaven (and why it doesn't matter) Wes Bergen,2013-07-08 Honesty Humility The purpose and

future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don't Wes Bergen's aim is to cast a vision of the church beyond divine fire insurance Bergen's contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn't enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don't Now get to work helping salvation happen

Adams, 2022-11-15 Sometimes the deepest knowledge of God comes from those who had to trust in Him the most What does this book's title Can't See the Forest for the Trees imply A simple answer is The Forest is symbolic of God's Plan revealed in Bible scripture with all of its mystery to be understood and fulfilled with steadfast belief faith and trust in the power of the Holy Trinity God the Father Jesus Christ the Son and the Holy Spirit one for all all for one God's Plan is a work in progress nearing fulfillment The Trees are symbolic of obstacles like gullibility false teaching false prophecy false doctrine apostasy hate lying deceit evil love of money blind speculation and the like all of which are growing rampant in the United States The message reveals Spiritual Blindness as a curse that God has imposed upon His Church for their lack of true faith in Him not unlike the Israelites as they turn away from the New Covenant Law blindly accepting unsuspected guidance from Satan to employ worldly ways and promote apostasy By misguided faith some may be unprotected by the Armor of God and their failing to cultivate the Fruit of the Spirit makes matters worse The author is hopeful that his book will bring awareness of spiritual blindness to summon a repentant reaction for restoration of religious understanding and direction in line with God's
