

"Fast & Furious" (2013) – Movie Questions (Quick Guide)

Instructions and/or recommendations for how to best use this guide:

Before the movie begins, it might be helpful to briefly describe some of the characters that will be played in the movie so the students will have an easier time answering the questions throughout the movie. You'll probably want to be very vague so that you don't reveal any parts of the movie. Here is a very brief rundown of the characters and special vocabulary (in alphabetical order) that are mentioned in the movie questions to help the students as they're watching the movie. I've tried to be as brief as possible in case you'd like to share this directly with the students before watching the movie.

1. Anita – She is Puerto Rican and is Bernardo's girlfriend.
2. Anybody's – She is a character who wants to be part of the Jato gang.
3. Baby John – He is a member of the Jato group.
4. Bernardo – He is the leader of the Sharks gang. He is also the older brother of Maria and is Anita's boyfriend.
5. Chino – He is a Bernardo's friend and is interested in Maria.
6. Dad Hand – He is a social worker who has a brief scene during a school dance.
7. Jato – a young gang of white boys who often fight with the Sharks.
8. Lieutenant Schenk – He is the police lieutenant who tries to stop the Jato and Sharks from fighting.
9. Maria – She is one of the main characters in the film. She is Bernardo's younger sister.
10. Riff – He is the leader of the Jato gang.
11. Sharks – a young group of Puerto Ricans who often fight with the Jato.
12. Tony (John) – He is one of the main characters in the film. He used to hang out and be involved with the Jato.
13. Valentine – She is a Puerto Rican elder woman who works at Dad's general store.

Movie Questions

These are simple short answer questions for students to answer while watching the movie. They are not meant to be very difficult or thought provoking so that the students can quickly answer them as they're watching the movie. They are all in chronological order to the movie and are basically used to keep their attention throughout the movie and hold them accountable for the activity. An answer key is included for all of the questions. I recommend using subtitles in the movie as well to help the students answer the questions more easily. You could have students complete this part individually or also in small groups if you'd like.

"If you're using this movie guide with students as a second language, with learning disabilities, or lower level students, then you might want to complete this part in small groups, or give them the opportunity to compare and change their answers after the movie ends. Depending on my classes, I sometimes set up a rule to allow my students to tell me to pause the movie or to go back about 20 seconds so that they can write an answer or hear a part again to fully answer a question.

How to Teach

Literature Elizabeth McCallum Marlow, 2019-01-28 *How to Teach Literature* Introductory Course provides a detailed resource for homeschool or conventional teachers and administrators interested in an in-depth study of the subject. This fourth and final book in this series of teaching guides includes information not found in literature anthologies such as the following: suggestions for cultivating a love for literature, detailed analyses of each work, questions for review, test questions with suggested responses, essay topics, audio-visual aids, internet resource materials, classroom handouts, and recommended books that enhance teaching. The author emphasizes two basic reasons for teaching literature: It is instructional and delightful. This book provides a comprehensive methodology for teaching the subject that a teacher could apply to one year's lesson plans without further investment in time. Other books in this series are entitled *How to Teach World Literature*, *How to Teach American Literature*, and *How to Teach British Literature*. www.teachclassiclitterature.com What do Truman Capote, O. Henry, and Homer have in common? They are all important writers happily included in Elizabeth Marlow's *How to Teach Literature* Introductory Course. Elizabeth lifts the reader to experience the beat in Poe's writing, the stark descriptors in the work of Hemingway, the rhythm of Alfred Lord Tennyson. She shows us that writing is not just a group of assembled words; it is a matrix of sound, color, meter, and imagery. For an English teacher, this is a helpful reminder and some fresh air. For a student, this is a gateway to the beauty and skill of great writing. To us all, this book is a way for the literature veteran to be challenged and the newcomer to be lured into the wondrous world of literature. I wholeheartedly recommend this book. John Baskam, middle school and high school English teacher at Covenant Christian Academy, Cumming, Georgia. This is just the sort of guide I wish I'd had when I was homeschooling my children. Elizabeth Marlow addresses both the big picture, which is the main goal of fostering a lifelong love for classic literature in students, and everyday practical concerns. Parents and teachers will find her trustworthy in her mature spiritual grounding, her impeccable literary taste, and her wealth of experience gained

from decades of teaching literature in a Christian school The book is well organized and thorough and her witty down to earth writing style makes it a pleasure to read Marcelle Tuggle veteran homeschool mom **Building Everyday**
