Understanding Spiritual Warfare Sam Storms, 2021-04-27 A comprehensive theological guide to everything the Bible has to say about spiritual warfare Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives But if we're to take Scripture seriously we can't overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed

tormented and tempted by demonic powers In *Understanding Spiritual Warfare* theologian and professor Sam Storms confronts the reality of the spiritual conflict in our midst the threat of the demonic and how we as Christians can respond to such a threat in our own lives and in the lives of others Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic answering question like Who is Satan and his demons and how do they act Can a Christian be demonized How does the authority of Christ defeat the devil and the demonic What is warfare prayer and how can we wield it Perfect for any individual or group who wants to grow in their understanding of spiritual warfare *Understanding Spiritual Warfare* also serves as a training manual for a ministry of deliverance and inner healing

Defeating Dark Angels Charles H. Kraft, 2016-10-04 A Practical Complete Guide to Defeating Demons Demonic oppression is a very real spiritual phenomenon yet it remains a terrifying and misunderstood subject for many Christians What does the Bible say Can demons exert power over Christians Can a Christian be possessed How do you know if a problem is psychological or spiritual In this revised edition of *Defeating Dark Angels* Dr Charles H Kraft a retired evangelical seminary professor and experienced deliverance minister reveals everything you need to know With clarity and biblical insight he explains why and how dark forces come against God s people our authority as Christians over demons how to resist the influence of demons how to break their hold on the lives of others the need for continued healing and care after deliverance through counseling Weaving practical application with firsthand accounts of demonic activity in the lives of real people this is your complete guide to defeating dark angels and ministering God s freedom to others Pentecostal Exorcism Opoku Onyinah, 2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures This unique book provides a thorough field research based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana Anthropological studies generally claim that the ultimate goal of exorcism is modernisation Using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of God and to deliver people from their torment The deliverance ministry is one attempt to contextualise the gospel for African people However preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture family ties and other religions In order to develop a properly safeguarded ministry of exorcism in an African context the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation which has strong resonances with the biblical concept of prayer Angels Elect and Evil C Fred Dickason, 1995-10-01 What are angels like How many kinds are there Are mental disorders caused by their influence Long favored by scholars this classic has now been rewritten to give us accessible scriptural answers to our questions about the spirit world **The Handbook for Spiritual Warfare** Ed Murphy, 2022-02-01 Your guide to understanding all dimensions of spiritual warfare The
