Walking in the Dust of Rabbi Jesus Lois Tverberg, 2012-03-06 In this ebook download of *Walking in the Dust of Rabbi Jesus* Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context. Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands. Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus' time have borne fruit. Doing so will yield fresh practical insights for following our Rabbi's teachings from a Jewish point of view.

Footprints in Parchment SANDRA SWEENEY SILVER, 2013-05-15 *Footprints in Parchment: Rome Versus Christianity 30-313 AD* masterfully tackles the question: How did a group of Christians with no homeland and no standing army defeat the juggernaut of ancient Rome? Using hundreds of first hand accounts of events Silver guides the reader through the rise and the reach of Imperial Rome to its eventual ruin and rescue by the infant Christian Church. Over a three hundred year period Rome killed tens of thousands of Christians in an attempt to eradicate this new religion that it correctly intuited would bring Rome to its knees. Tertullian had said in the early 200s: The blood of the martyrs is the seed of the church. Why did Rome kill all those people just because they believed in a Jewish carpenter from an obscure part of her Empire and why did so many Christians willingly die? The martyrs died for the religious freedom to publicly say the words: Christianus sum. I am a Christian. They won that right. *Rome Versus Christianity* leads the reader down the road of Rome's decline and Christianity's rise. There are many fascinating sights along the way.

Follow My Footprints Sylvia Barack Fishman, 1992 This anthology focuses on women in Jewish fiction and presents a vivid panorama of Jewish life in the United States over the past one hundred years.
