Unix Questions and Answers has been designed with a special intention of helping students and professionals preparing for various **Certification Exams and Job Interviews**. This section provides a useful collection of sample Interview Questions and Multiple Choice Questions (MCQs) and their answers with appropriate explanations.

Sr.No.	Question/Answers Type
1	<u>Unix Interview Questions</u> This section provides a huge collection of Unix Interview Questions with their answers hidden in a box to challenge you to have a go at them before discovering the correct answer.
2	<u>Unix Online Quiz</u> This section provides a great collection of Unix Multiple Choice Questions (MCQs) on a single page along with their correct answers and explanation. If you select the right option, it turns green; else red.
3	<u>Unix Online Test</u> If you are preparing to appear for a Java and Unix Framework related certification exam, then this section is a must for you. This section simulates a real online test along with a given timer which challenges you to complete the test within a given time-frame. Finally you can check your overall test score and how you fared among millions of other candidates who attended this online test.
4	<u>Unix Mock Test</u> This section provides various mock tests that you can download at your local machine and solve offline. Every mock test is supplied with a mock test key to let you verify the final score and grade yourself.
