

INTERNAL ISOLATION TRANSFORMER

Isolation transformer is a standard option in all Onfiniti FMI series models. This considerably reduces the footprint and requirement of additional cabling and switchgear. Isolation transformer provides maximum protection to the connected loads.

Display panel

The display interface provides real-time status of critical diagnostics and essential parameters like load demands, input voltage, battery status, etc.

50 °C operation

Onfiniti UPS withstand high operating temperatures. They can operate at 40°C at 100% capacity and up to 50°C at 80% capacity.

Flexible battery configuration

Battery blocks and their capacity can be configured by the user, as per the required variable backup time, based on the load connected.

Additional charger

The additional charger is a standard add-on option in Onfiniti UPS. It reduces the extra space/cabinet requirement. The additional charger is controlled by the UPS inverter controller and thus provides adequate protection from overvoltage.

Conformal coating

Onfiniti UPS PC Boards comes as a standard with conformal coating. Conformal coating provides protection to the electronic circuits from harsh environments that may contain moisture and/or chemical contaminants.

Ups Repair Guide Numeric 20kva:

Power Supply in Telecommunications Hans Gumhalter, 2012-12-06 An important part of any communication system is its power supply system. The smooth operation of all communications depends on the quality of the power supply and on the operational reliability of the increasingly complex equipment and devices used for this purpose. This book describes current power supply technologies; it explains the circuit techniques using easy-to-understand examples and illustrations. Also covered are automatic control, grounding and protection techniques as well as the design of battery and grounding installations. The book is conceived as a practical guide for those involved in planning, installing, commissioning and servicing telecommunication systems, but it is also useful as an introduction to the subject.
