**Jane MacMorran**

## **Voicing Scotland Culture And Tradition In A Modern Nation:**

*Voicing Scotland* Gary West, 2013-07-22 *Voicing Scotland* takes the reader on a discovery tour through Scotland's traditional music and song culture past and present West unravels the strings that link many of our contemporary musicians singers and poets with those of the past offering up to our ears these voices which deserve to be more loudly heard What do they say to us in the 21st Century What is the role of tradition in the contemporary world Can there be a folk culture in the digital age What next for the traditional arts **REVIEWS** Can folk stay true to tradition and still be genuinely contemporary Can its pride in place counter globalisation without collapsing into narrow nationalism The answer for Gary West is a resounding Yes **SCOTSMAN** *Voicing Scotland* is an engrossing assessment of where Scottish Traditional Music stands at a time of resonant political developments in the nation's history but also of globalisation and the threat of cultural homogenisation in today's liquid society **SCOTSMAN** *Traveller Storytelling in Scotland* Robert Fell, 2024-08-19 This book unravels the complexities of traditional storytelling and uses creative analytical techniques to uncover the meanings of the stories we tell The reader is first acquainted with conceptualisations of how stories make meaning in our lives then guided through a selection of stories from the rich traditions of Scotland's Traveller and Nawken Nacken communities Beginning with a nuanced historical overview of the communities *Traveller Storytelling in Scotland* Folklore Ideology and Cultural Identity then draws on archive texts and interviews to introduce readers to the unique and vibrant folklore of Scotland's Travellers and Nawken Nacken It connects ethnology and literary criticism to contextualise folklore and reveal how its ideological priorities underpin cultural identity Utilising diverse analytical techniques this book is a timely examination of a folkloric idiom that has until now been sorely in need of further scrutiny It showcases the sophistication and enduring relevance of folkloric expressions to contemporary Scottish culture *An Introduction To Scottish Ethnology* Alexander Fenton, Margaret A. Mackay, 2013-08-06 The publication of *An Introduction to Scottish Ethnology* sees the completion of the fourteen volume Scottish Life and Society series originally conceived by the eminent ethnologist Professor Alexander Fenton The series explores the many elements in Scottish history language and culture which have shaped the identity of Scotland and Scots at local regional and national level placing these in an international context Each of the thirteen volumes already published focuses on a particular theme or institution within Scottish society This introduction provides an overview of the discipline of ethnology as it has developed in Scotland and more widely the sources and methods for its study and practical guidance on the means by which it can be examined within its constituent genres based on the experience of those currently working with ethnological materials Theory and practice are presented in an accessible fashion making it an ideal companion for the student the scholar and the interested amateur alike **The Legacy of Ron Gonnella** Jane MacMorran, 2025-07-28 In the latter half of the twentieth century Ron Gonnella's extensive discography played a pivotal role in reviving interest in traditional Scottish fiddling particularly in the United States Jane MacMorran's *The Legacy of Ron Gonnella* offers an in

depth exploration of this legendary fiddler whose influence has largely been overlooked in mainstream music history MacMorran situates the musician's work within the cultural shifts of the 1960s 70s and 80s decades that witnessed multiple folk music revivals as Gonnella's career developed in a niche tradition This book reintroduces Gonnella as a significant figure whose contributions to Scottish fiddling helped shape performance standards and influence future generations of musicians Beginning in Barga Italy and traveling through Scotland before arriving in North America Gonnella's life and work reflect a complex dialogue between cultures historical periods and musical traditions MacMorran examines how Gonnella's work was shaped by and helped shape various musical communities showing that he was an active participant in the ongoing evolution of Scottish fiddling Through oral histories archival material and interviews with musicians who performed with or were influenced by Gonnella the author uncovers a vibrant narrative of cross cultural exchange The result is a rich portrayal of Gonnella's life long contribution to Scottish fiddling and a case for his inclusion in the wider narrative of traditional music history [Bloomsbury Encyclopedia of Popular Music of the World, Volume 11](#) David Horn,2017-10-05 See

**Community-based Traditional Music in Scotland** Josephine L. Miller,2022-10-17 This book examines the community based learning and teaching of traditional music in contemporary Scotland with implications for transnational theoretical issues The book draws on a broad range of scholarship and a local case study of a large organisation A historical perspective provides an overview of new educational formats emerging from the mid twentieth century folk music revival in Scotland Practices through which participants encounter and perpetuate the idiom of traditional music include social music making learning by ear and participatory and presentational elements of musical performances Individuals are shown as combining these aspects with their own learning strategies to participate in the contemporary community of practice of traditional music The work also discusses how experiences of learning contribute to identity formation including the role and practice of tutors of traditional music The author proposes conceptualising the teaching and learning of traditional music in community based organisations as a pedagogy of participation **The Oxford Handbook of Contemporary British and Irish Poetry** Peter Robinson,2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to

feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers The Cambridge Companion to Modern British Women Playwrights Elaine Aston, Janelle Reinelt, 2000-05-25 This Companion first published in 2000 addresses the work of women playwrights in Britain throughout the twentieth century The chapters explore the historical and theatrical contexts in which women have written for the theatre and examine the work of individual playwrights A chronological section on playwriting from the 1920s to the 1970s is followed by chapters which raise issues of nationality and identity Later sections question accepted notions of the canon and include chapters on non mainstream writing including black and lesbian performance Each section is introduced by the editors who provide a narrative overview of a century of women's drama and a thorough chronology of playwriting set in political context The collection includes essays on the individual writers Caryl Churchill Sarah Daniels Pam Gems and Timberlake Wertenbaker as well as extensive documentation of contemporary playwriting in Wales Scotland and Northern Ireland including figures such as Liz Lochhead and Anne Devlin **Literary Politics of Scottish Devolution** Hames Scott Hames, 2019-11-01 Provides a cultural history and political critique of Scottish devolution Provides the first critical history of Scottish devolution Offers the first multidisciplinary study of UK or Scottish devolution engaging extensively with the work of historians sociologists political scientists and cultural theorists Combines close attention to political and electoral factors with cultural issues and developments Draws on political theory which illuminates devolution from outside its terms This book is about the role of writers and intellectuals in shaping constitutional change Considering an unprecedented range of literary political and archival materials it explores how questions of voice language and identity featured in debates leading to the new Scottish Parliament in 1999 Tracing both the dream of cultural empowerment and the grind of electoral strategy it reconstructs the influence of magazines such as Scottish International Radical Scotland Cencrastus and Edinburgh Review and sets the fiction of William McIlvanney James Kelman Irvine Welsh A L Kennedy and James Robertson within a radically altered picture of devolved Scotland *The Scottish Educational Journal* , 1920

## Reviewing **Voicing Scotland Culture And Tradition In A Modern Nation**: Unlocking the Spellbinding Force of Linguistics
