World Religions And Cults Counterfeits Of Christianity Volume 1:

World Religions and Cults Volume 1 Bodie Hodge, Roger Patterson, 2015-08-13 Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way. And there is a common factor every time: man's fallible opinions. In one way or another, the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

World Religions and Cults Volume 1 Ken Ham, 2015-08-13 This eye-opening first volume presents a clear and thorough analysis of counterfeit religions like Mormonism, Islam, Deism, Jehovah's Witnesses, Zoroastrianism, and many more.

World Religions & Cults Volume 2 Bodie Hodge, Roger Patterson, 2016-05-02 Religions of the Far East like Hinduism, Buddhism, and New Age have been gaining a foothold in the Western world. We even see witchcraft on the rise and paganism infiltrating the minds of the next generation, even in Christian homes. Why is that? How can a Christian respond? We already know how the one true God has responded, and in this title, you will learn how a Christian can effectively witness for Christ. How to refute these false religions. What it truly is that these religions teach and why. The Christ follower should be set at ease knowing that all other gods are false, as the all-knowing God of Scripture has revealed that He is the only God. Therefore, this volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies. In this way, one can better discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible.

The Museum of the Bible Cavan Concannon, Jill Hicks-Keeton, 2019-06-21 Bringing together nationally and internationally known scholars, *The Museum of the Bible: A Critical Introduction* analyzes the Museum of the Bible in Washington, D.C. from a variety of perspectives and disciplinary positions, including biblical studies, history, archaeology, Judaic studies, and religion and public life. The Museum of the Bible is poised to wield unparalleled influence on the national popular imagination of the Bible's contents, history, and uses through time. This volume provides critical tools by which a broad public of scholars and students alike can assess the Museum of the Bible's presentation of its vast collection and wrestle with the thorny interpretive issues and complex histories that are at risk of being obscured when private funds put a major museum near the National Mall.

World Religions and Cults Volume 3

Bodie Hodge, Roger Patterson, 2016-11-30 This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within. We need to know how to refute these humanistic religions. We need to know how to effectively present the gospel to people who have been deceived by humanistic religions. Answers Book for Teens Volume 1 Ken Ham, Bodie Hodge, Dr. Tommy

Mitchell, 2011-10-01 There's no mistake. God is seeking you. Friends, teachers, and the world in general will tell you that Christianity and faith is a lie. Atheism and Eastern religions are more fashionable. The culture tells you to look and act certain ways or people will think you're a loser or weird. If you say you believe in God, you can expect people to be in your face doing their best to tear down God, the Bible, and your belief in Christ. By now you may even have a few doubts; everything seems so crazy and pointless. How can you believe God really does care about what is going on with you? Or if God is in charge of this chaos called life, you aren't the only one with questions. Find great answers to 15 popular faith questions and discover why the world is such a mess, why you can believe in Christ, and why God wants a relationship with you. For ages 13 to 17.

Divided Nation Ken Ham, 2021-06-15 *Divided Nation: Cultures in Chaos*. A conflicted church provides families and their churches biblical mandates to awaken and arise as influencers in today's turbulent times. As Christian persecution increases, the Body of Christ needs to prepare to take a bold stand. Ken Ham, CEO and founder of Answers in Genesis US, the highly acclaimed Creation Museum, and the world-renowned Ark Encounter, sounds the call for Reformation, bringing God's people back to the authority of the Word of God, beginning in Genesis. Can the church regain a position of influence among this generation of truth seekers who reject God and His Word? To combat today's chaotic culture and the conflicted church, Ham addresses five specific issues: There is no neutral position. There is no non-religious position. There are ultimately only two religions: Creation apologetics. How to think foundationally to develop a truly Christian worldview. Make a stand for the soul of this generation. *Divided Nation* shines an empowering light on the struggle of the church to retain young believers. Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church. *Divided Nation* is an excellent call to Christians, pastors, and thinkers alike to return to the supreme authority of God's Word and the God of all truth. Jack Hibbs, Calvary Chapel, Chino Hills, CA. **One Race One Blood (Revised & Updated)** Ken Ham, Charles Ware, 2019-06-11 *One Race One Blood* reveals the origins of the horrors of discrimination, the biblical truth of interracial marriage, as well as the proof revealed in the Bible that God created only one race. Explore the science of genetics, melanin, and skin tone affected by the history of the Tower of Babel and the origin of people groups around the world. Divisions: Ethnic

cleansing genocide racial conflicts have taken place from colonialism to Nazi Germany to modern day We are a society nation and world in continued conflict We are increasingly being identified and divided by designations of racial groups Many of these unfortunate divisions have been fueled by the troublesome threads of scientific racism which emerged from Darwinian evolution Solutions Education can teach workshops can inform laws can protect but what is the defining answer to ending the notion of racial division Since racism is a heart issue a sin issue it is one that only the truth of God's inerrant Word will overcome Truths And hath made of one blood all nations of men for to dwell on all the face of the earth Acts 17:26 KJV

Confound the Critics Bodie Hodge, 2014-09-01 Can be enjoyed by anyone from skeptics to Christians to scholars Replies to actual attacks from newspaper articles blogs debate boards DVDs and other sources Short powerful responses to strengthen faith and develop a greater respect for God's Word Ever been asked Can God create a rock so heavy that He cannot lift it Your reply is a great opportunity to help someone receive clearer understanding of who God is and perhaps even help lead him or her to Christ Insights like this are what make this book so unique compared to other resources Whether you want to witness more effectively or give someone seeking truth a resource that will help *Confound the Critics* is the perfect choice And the big rock question Make sure they are asking about the God of the Bible and remind them God isn't bound to the laws like gravity of the universe He created

World Religions and Cults Volume 2 Bodie Hodge, 2016-05-01 Recognize and refute the Far East false religions What do these religions teach and why How can a Christian be an effective witness for Jesus Christ when presented with ideas that are so different from a biblical perspective How can these religions be refuted and biblical authority be the standard This eye opening second volume deals with many Eastern religions like Hinduism Taoism New Age Sikhism Confucianism Shinto and Buddhism as well as other pagan based systems like Witchcraft Voodoo and Greek mythology and many more This volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies and discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible

Will They Stand Ken Ham, 2020-11-16 Our children are facing cultural giants that previous generations could never have imagined Secularism depravity immorality and apathy taunt Christians with a barrage of hate and intolerance Will our children be equipped to stand strong against these giants or will they be overcome That is the question Christian parents are asking In this book Ken Ham gives us a powerful message about the importance of raising strong believers who can stand in the face of a world that will challenge disparage and seek to eliminate their faith He also helps prepare parents to equip the next generation to thrive in the face of cultural adversity and emerge as tomorrow's Christian leaders
