Money and the Governance of Punishment Patricia Faraldo Cabana, 2017-06-26 Money is the most frequently means used in the legal system to punish and regulate Monetary penalties outnumber all other sanctions delivered by criminal justice in many jurisdictions imprisonment included More people pay fines than go to prison and in some jurisdictions many of those in prison are there because of failure to pay their fines Therefore it is surprising how little has been written in the Anglophone academic world about the nature of money sanctions and their specific characteristics as legal sanctions In many ways legal innovations related to money sanctions have been poorly understood This book argues that they are a direct consequence of the changing meaning of money Considering the meaninglessness of modern money the book aims to examine the history of changing conceptions in how fines have been conceived and used Using a set of interpretative techniques sensitive to how money and freedom are perceived the genealogy of the penal fine is presented as a story of constant reformulation in response to shifting political pressures and changes in intellectual developments that influenced ideological commitments of legislators and practitioners This book is multi disciplinary and will appeal to those engaged with criminology sociology and philosophy of punishment socio legal studies and criminal law

Juvenile Justice Systems John Winterdyk, 2002 Annotation By the year 2000 more than 50% of the world population will be under the age of 15 9th UN Congress 1995 Youth crime is increasing around the world 9th UN Congress 1995 In September 1997 Canadian Justice Minister Anne McLellan declared youth justice as a top priority These and similar facts speak to the urgency for society to study youth crime and examine youth justice systems from a comparative perspective As our world gets smaller we discover the urgency and importance of sharing and learning at a global level This collection offers a unique opportunity to examine six different juvenile justice systems and youth crime around the world All eleven articles are original contributions from a distinguished set of experts on juvenile justice in their respective countries Each contribution examines a set of common elements defining delinquency describing the nature and extent of youth crime examining the administration of youth justice and discussing issues confronting youth crime This groundbreaking book will be of interest to students criminologists and criminal justice policy makers who are interested in improving the intervention treatment and prevention of youth crime and the administration of youth justice

Criminology Freda Adler, Gerhard O. W. Mueller, William S. Laufer, 2004 This leading text for courses in Criminology is known for its lucid style student oriented approach and its interdisciplinary global perspective The Fourth Edition further underscores this unique student centered approach by making a free student study CD Making the Grade available with every copy of the text A robust Online Learning Center featuring chapter quizzes with feedback vocabulary flashcards interactive exercises and more is also

available The Adler text comes in two versions one with and the other without coverage of the criminal justice system For schools that retain the traditional criminology course which includes criminological coverage of criminal justice Criminology and the Criminal Justice System Fifth Edition is the ideal text For schools that offer a separate introductory course in criminal justice Criminology Fifth Edition is the appropriate text *Criminal Procedure* Wayne R. LaFave, Jerold H. Israel, Nancy J. King, 1999 From the scope note The CRIMPROC database contains the full text of Criminal Procedure Second Edition Part of West Group's Criminal Practice Series A document is a section of text the Table of Contents or other introductory materials *Crime, Criminal Justice and Religion* Philip Birch, Conor Murray, Andrew McInnes, 2022-12-30 Crime Criminal Justice and Religion A Critical Appraisal seeks to bridge a gap in the examination of crime and criminal justice by taking both a historical and a contemporary lens to explore the influence of religion Offering unique perspectives that consider the impact on modern day policy and practice the book scrutinises a range of issues such as abortion hate crime and desistance as well as reflecting upon the influence religion can have on criminal justice professions The book acts to renew the importance of and recognise the influence and impact religion has in terms of how we view and ultimately address crime and deliver criminal justice One of the first books to cover the area of crime criminal justice and religion the book is split into three parts with part 1 Contextualising Crime Criminal Justice and Religion providing an introduction to crime criminal justice and religion and reflections on the role religion has had and continues to have in how crime is understood and how we respond to it Part 2 Appraisal of Institutions and Professional Practice considers the issue of religion through institutions and professions of criminal justice such as the police and legal profession while part 3 Appraisal of Contemporary Issues explores a range of crime and criminal justice issues in on which religion has had an impact such as the death penalty and terrorism Crime Criminal Justice and Religion will be of primary interest to academics researchers and students in criminology law sociology psychology social policy and related Humanities Arts and Social Sciences disciplines It will also be of interest to theologians both as scholars and practitioners The book is a body of work that will appeal at an international level and will also be a key resource for a range of practitioners across the globe working on issues concerning crime and criminal justice *Kentucky Law Journal* ,2014 *International Criminal Justice Review* ,1991 **Criminal Justice Review** ,1990 *International Journal of Comparative and Applied Criminal Justice* ,2003 **Comparative Criminal Justice Systems** Erika Fairchild, Harry R.
