World Religions Thomas A. Robinson,Hillary P. Rodrigues,2022-11-15 This masterful survey of world religions presents a clear and concise portrait of the history beliefs and practices of Eastern and Western religions The authors both respected scholars of world religions have over 50 years of combined teaching experience Their book is accessibly written for introductory classes can be easily adapted for one or two semester courses and employs a neutral approach for broad classroom use The third edition has been revised throughout with updated material on the history and contemporary configurations of each tradition and new sections addressing gender sexuality and the environment It also includes effective sidebars photographs timelines charts calendars glossaries and a spelling guide Online resources through Baker Academic s Textbook eSources include Powerpoint Keynote slides new maps and videos and a large question bank of multiple choice test questions available to professors upon request **Understanding World Religions** Irving Hexham,2011-03-22

Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam **The World's Wisdom** Philip Novak,2011-10-11 The World s Wisdom is a book you will turn to again and again Philip Novak has collected nuggets of wisdom from around the world in this wonderful starting point for the spiritual seeker Hinduism Buddhism Confucianism Taoism Judaism Christianity Islam and Primal Religions e g Native American African etc all contribute to this world bible In this perfect companion to Huston Smith s bestselling The World s Religions Philip Novak distills the most powerful and elegant expressions of the wisdom of humankind Authentic poetic translations of key texts are coupled with insightful introductions and grace notes Philip Novak is the Santo Distinguished Professor of Philosophy and Religion at Dominican University in San Rafael California where he has taught for over twenty years He is also the co author with Huston Smith of Buddhism a Concise Introduction A smorgasbord of delicacies prepared by the greatest chefs of religious literature that s
