Worshipping God In An Imperfect Church:

Worshipping God in an Imperfect Church Homer L. Isaac Jr, 2015-04-23 Many many books have been written on church worship by pastors ministers deacons elders evangelists theologians and biblical scholars This book is not one of them It is written by an author who loves the Word of God and shares what he has learned from the viewpoint of a worshippers reading and study of the scriptures In a way you could say that this book is a view from the pew Of more importance then is not who or what the author is but who and what he is not He is not a pastor minister deacon elder evangelist or theologian and most importantly not a biblical scholar He is simply a worshipper called to worship God in spirit and truth As such he writes from the perspective of a church worshiper who examines how he would be able to worship God in any imperfect church Firmly believing that in order to do so in addition to hearing and learning from others he must prayerfully study the Word of God for himself and strongly encourages others to do likewise

The Time Is Near Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next

How Shall We Worship God? Alford Augustus Butler, 1904 **Reclaiming the Church Family** Matthew T. Kimbrough, 2022-01-20 Why bother with church Can t I follow Jesus on my own Christians young and old struggle to answer these questions believing Scripture says little about church life But the Bible is far from silent The New Testament envisions a vibrant church of devoted brothers and sisters adopted into God s family The biblical image of the church family has the power to reshape everything our local churches do the ways pastors lead how members engage one another what worship leaders sing and much more Now is the time to reclaim a biblical vision of the church as a family and reject the prevailing corporate church paradigm assumed by church growth gurus The church that thinks of itself as a family will learn to build meaningful relationships and show the unbelieving world how good church life can be

Episodes Of Faith Omar Luther King, 2025-02-23 The book Episodes of Faith begins with a Bible verse for each episode and the content which follows relates to Omar's personal life so one can understand how each Bible verse pertains to practical Christian living God's Word needs to be not just read heard and understood rather lived out in this world even though it's a wicked world God helps us live out what he instructs us to do The main theme of the Bible is God's love for us and how we also ought to love one another as He has loved us This is also Omar's personal passion to love others as God loves him what Omar believes and preaches he practices Each episode needs to be read slowly meditated upon and applied in practical life to experience the full blessings of a life pleasing to God
