Woven Silence Memory History Remembrance:

A Woven Silence Felicity Hayes-McCoy, 2016 *Between Two Hells* Diarmaid Ferriter, 2021-09-02 THE IRISH BESTSELLER Ferriter has richly earned his reputation as one of Ireland's leading historians Irish Independent Absorbing A fascinating exploration of the Civil War and its impact on Ireland and Irish politics Irish Times In June 1922 just seven months after Sinn Féin negotiators signed a compromise treaty with representatives of the British government to create the Irish Free State Ireland collapsed into civil war While the body count suggests it was far less devastating than other European civil wars it had a harrowing impact on the country and cast a long shadow socially economically and politically which included both public rows and recriminations and deep often private traumas Drawing on many previously unpublished sources and newly released archival material one of Ireland's most renowned historians lays bare the course and impact of the war and how this tragedy shaped modern Ireland Single Mothers in Twentieth-century Ireland and Britain Lorraine Grimes, 2025-08-21 Throughout the Twentieth Century many women in Ireland and Britain endured shame and institutionalisation for becoming pregnant outside of marriage In this welcome study Lorraine Grimes examines the journeys made by hundreds of pregnant Irish women to Britain as they fled to escape their local communities Their experiences in Britain however were not free of stigma and Grimes's book analyses the nuances of the institutional networks both in Britain and Ireland which these women utilised *Single Mothers in Twentieth Century Ireland and Britain* focuses on the experiences of women from 1926-1973 in cities with high Irish emigrant populations including London Liverpool Birmingham and Glasgow Unlike official narratives such as Ireland's Commission of Investigation into the Mother and Baby Homes this book prioritises the experiences of the survivors and ensure that women's experiences are central to the narrative It also incorporates original interviews with children born in institutions and for the first time interviews with religious and medical staff are also included in the historiography Using archival research and oral history Grimes reveals the methods British and Irish institutions developed from forced adoption to repatriation and the impacts of this on the women and children's lives Grimes makes a significant contribution to the historiography surrounding the movement of women and children across international borders through repatriation and adoption between institutions on both sides of the Irish Sea From extensive archival research this book reveals cases of Irish single mothers seeking assistance in Britain as well as cases of rape incest and domestic violence within the institutional records In addition archival cases expose prejudice towards women from other colonial countries in institutions in Britain particularly from the 1960s A first for the field *Single Mothers* includes a chapter on the experiences of single fathers Sensitive to the underlying issues of class and gender politics the book also shows that women often enacted a large degree of agency to improve their situation If you are interested in women's political and social history and the history of the institutional relationships of Britain and Ireland this book is essential reading **Bridie Gallagher** Jim Livingstone, 2015-10-01 Foreword by Daniel O'Donnell Known as the Girl from Donegal Bridie Gallagher was

Ireland's first truly international pop star. Over a fifty year career she sang at sell out concerts from small halls across Ireland to leading venues such as the London Palladium, Royal Albert Hall, the Lincoln Centre in New York and the Sydney Opera House. She brought glamour to show business in Ireland and gave new life to forgotten Irish ballads. Her rise to fame began in the mid 1950s and was marked by enormous crowds wherever she appeared as she won the hearts of legions of fans loyal ever since. But as well as phenomenal success her life was marked by tragedy and loss. This biography by her son Jim Livingstone draws upon Bridie's own handwritten memoir, interviews with friends, fans and colleagues and Jim's own personal insights having worked closely with her as manager and musical director for twenty five years. This is the story of a young beautiful and talented girl from humble beginnings in Donegal who established a career in show business that was to endure for half a century.

A Woven Silence Felicity Hayes-McCoy, 2015-09-01. How do we know that what we remember is the truth? Inspired by the story of her relative Marion Stokes, one of three women who raised the tricolour over Enniscorthy in Easter Week 1916, Felicity Hayes-McCoy explores the consequences for all of us when memories are manipulated or obliterated intentionally or by chance. In the power struggle after the Easter Rising involving among others Michael Collins and Eamon de Valera, the ideals for which Marion and her companions fought were eroded, resulting in an Ireland marked by chauvinism, isolationism and secrecy. By mapping her own family stories onto the history of the State, Felicity examines how Irish life today has been affected by the censorship and mixed messages of the past. Absorbing, entertaining and touching, her story moves from Washerwoman's Hill in Dublin to London and back again, spans two world wars, a revolution, a civil war and the development of a republic and culminates in Ireland's 2015 same sex marriage referendum. Also by this author: *Enough is Plenty*.

Manhattan to West Cork Alice Carey, 2016-04-01. As a young girl, Alice Carey came to realise that home can mean different things. The only child of Irish immigrants to New York in search of a better life, her isolated and sometimes violent childhood was transformed when her mother started working as a maid to legendary Broadway producer Jean Dalrymple. In Miss D's elegant Park Avenue town house, Alice was exposed to a life she had only seen in films. Her mother worked to save up enough money for them both to go home to Ireland, travelling down below on ocean liners. Ireland in the 1960s was radically different from New York in every way, especially in its morality and attitudes to clerical abuse. Yet despite the darkness, many years later, Alice and her husband fell in love with an abandoned Georgian farmhouse in west Cork. As they restored its stables, Alice began unearthing buried childhood memories played out in wildly divergent homes in New York City, Fire Island and Killarney. *Manhattan to West Cork* is the poignant tale of a young girl raised in a difficult environment juxtaposed with the story of a grown woman trying to make sense of her childhood. A great read. Alice started her first diary aged 10; this love of recording may explain her perceptive eye and ear and why the simplicity of her narration draws us in.
