BT *This Troubled Land* Patrick Michael Rucker, 2002 When American journalist Patrick Michael Rucker learned of the Northern Ireland peace accord signed on Good Friday 1998 he knew he had to return Rucker had last seen this torn country in 1991 when the troubles raged at a fever pitch of daily bombings and murder Could such a violently divided society truly live in peace What had changed In the fall of 1998 Rucker returned to Belfast to see for himself and this stark gritty spellbinding book is his report A fearless and brilliant reporter Rucker sought out victims and killers leading IRA terrorists and the loyalist counterparts bent on assassinating them British soldiers and innocent bystanders swept helplessly into an endless undeclared war Rucker watched as Michelle Williamson chained herself outside a prison to protest the release of the IRA prisoner whose bomb killed her innocent parents He visited the hospital room of Liam Cairns a young man abducted by an IRA punishment gang and beaten beyond recognition He tracked down the children of Jean McConville a widow abducted and killed decades ago for aiding a British soldier a tragic mistake that the IRA finally was ready to admit There are scores of encounters like these in the pages of *This Troubled Land* shocking portraits of a society caught in a nightmare of rage and despair But as Rucker discovers despair has now begun to give way to a different mood not forgiveness and reconciliation exactly for the wounds are still too raw but a weary longing for closure Rucker sees glimmers of hope in a Protestant mother murmuring an apology to a Catholic widow in talk of forgetting the past in the jarring vision of a glass roofed double decker bus carrying tourists down Belfast s Madrid Street where just a few years ago bullets flew between the Catholics and the Protestants In vivid electrifying prose Rucker captures the soul of a country at a critical juncture a country finally putting the darkest moments of its past behind and daring to look ahead
