Voices from the Harem Nancy Hartwell Enonchong, 2016-11-29 Reviews for Voices from the Harem If you are the parent of a teenage girl you should put this book on your must read list It is a fascinating but extremely disturbing collection of anecdotes from girls who describe how they wound up in a slave harem One reviewer said that there was too much fantasy but I think she completely missed the point A number of girls have gone insane and have retreated into fantasy worlds where they feel safe because they could no longer deal with their real lives locked away forever in a harem Carmen F This was an unexpected treat because I wasn't sure about what I was getting into All 111 girls in Prince Ibrahim's Il Giardino Posteriore harem tell their own stories of how they wound up in the harem and what they think about it Some of them tell really spooky stories about where they had been before like the girl who used to belong to a guy who flunked out of medical school but bought slaves so he could operate on people anyway Of course most of them died but he got to indulge his desire Or the one who had been in a mad scientist's laboratory and he would run bizarre experiments on the unfortunate victims there Touching moving heart breaking stories Marie C This is an excellent book describing the dreary unrewarding life of Harem Slaves Their personal stories of how they got there is both riveting and also horrifying At times it left me shaking my head in bewilderment when some of these women described their feelings towards their enslaver A fascinating read even on its own Flavius J Horribly heartrending Jamie R I cannot believe this still goes on to this day Gripping unbelievable but most of all heart breaking I wish there was more being done to combat this Natalie S Some of the women in the harem are ones that were also ones who were killed at the Rodeo in horrible ways Some girls were killed after only being in the harem a few months for poor performance because they had trouble adjusting to having been kidnapped from their families and country Prince Ibrahim killed a girl a month just because he could Some of the women had gone quietly insane after years of being cooped up in a pretty cage with no way out Karbie
