It was devised as a recreational activity for businessmen who wanted a game that had less physical contact than basketball. He borrowed the idea of the net from tennis, the ball from basketball, the use of hands in handball and the 9 innings (first rule) based from a baseball game.
- Morgan originally called the game "mintonette".
- Dr. George Fisher is known as the "father of volleyball" for his organization of the United States Volleyball Association (USVBA) which was established in 1928.
- Volleyball was spread through missionaries and soldier during world war.
- Volleyball was introduced to the Olympic Games in Tokyo in 1964. In 1984, the US men won their first Olympic Gold Medal in Volleyball. In recent years, the game has evolved to include more action and force through the use of power volleyball skills.
