Worship Community And The Triune God Of Grace:

Worship, Community and the Triune God of Grace James B Torrance, 2002-08-01 Here is a book that sets our worship communion and language of God back on track In a day when refinement of method and quality of experience are the guiding lights for many Christians James Torrance points us to the triune God of grace Worship, Community and the Triune God of Grace James B. Torrance, 1997-07-02 Refuting the notion that the doctrine of the Trinity may be indispensable for the creed but remote from life and worship James B Torrance points us to the indispensable who of worship the triune God of grace He demonstrates why trinitarian theology is the very essence of Christian confession *Worship, Community, and the Triune God of Grace* James Torrance, 1996 Here is a book that sets our worship communion and language of God back on track In a day when refinement of method and quality of experience are the guiding lights for many Christians James Torrance points us to the triune God of grace Copyright Libri GmbH All rights reserved Prayer: A Guide for the Perplexed Ashley Cocksworth, 2018-07-12 Central to the Christian life is the practice of prayer But what theologically speaking is going on when we pray What does prayer have to do with religious belief and action Does prayer make a difference Prayer A Guide for the Perplexed addresses these and other key questions regarding the Christian theology of prayer Beginning with Evagrius of Ponticus's *On Prayer* Ashley Cocksworth finds in this early document a profound expression of the integrity of the experience of prayer and theological thought Seeking throughout to integrate systematic theology and the spirituality of prayer individual chapters explore the meaning of some of the core doctrines of lived Christian faith the Trinity creation providence and the Christian life as they relate to the practice of prayer Complete with an annotated bibliography of sources on prayer to promote further reading this volume appeals to academics and general readers alike The Art of Forgiveness Myk Habets, Philip Halstead, 2018-10-31 Forgiveness is at the heart of the Christian Gospel It goes hand in hand with love mercy and grace the fundamental theological virtues However forgiveness is easier to define than it is to embody This unique collection of essays brings together theologians ethicists and ministry practitioners into a constructive dialog which explores the complex and crucial concept of forgiveness what it is where it is to be found and how it might be practiced These essays reflect the perspectives of those from various traditions who nonetheless take the Christian Scriptures seriously believe that forgiveness is central to living out the Gospel and are creative in the ways in which forgiveness can be practiced Forgiveness is an art and not simply a science as such it requires trust skill and hope alongside love mercy and grace if it is to be embodied This volume offers a unique window into the art of forgiveness and the faithful and innovative ways in which it is to be understood embodied and cultivated **Prayer and the Priesthood of Christ** Graham Redding, 2005-03-29 In this book Graham Redding provides a detailed account of prayer in the Reformed tradition and a critical examination of its present place in the Reformed Churches From its inception the Christian church thought of worship and prayer in trinitarian terms At the heart of this trinitarian concept lay the doctrine of the priesthood of Christ which in its liturgical expression presented

Christ not merely as the object of prayer but also as its mediator prayers were directed to the Father through Christ The author traces the idea of the priesthood of Christ and its effects on Christian worship and prayer from its origins with the earliest Christians and through the Arian and Apollinarian debates He then focuses on the Reformed tradition and the influences of John Calvin John Knox John Craig John McLeod Campbell William Milligan Theodore Beza William Perkins federal theology and the Westminster tradition and through to the present day This is an important history of an important doctrine showing in a remarkable way how the doctrinal struggles within the church have been reflected in the worshipping life of the church and how they continue to be reflected today Redding concludes with a number of key affirmations for a Reformed understanding of prayer and a critique of certain modern tendencies and practices in the church

Sanctifying Theology Jacob Lett, Jonathan M. Platter, 2023-10-30 Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology dogmatics ethics practices as well as the sciences and the arts The essays are collected under the twin convictions that theology can be sanctified and sanctifying The whole of theology is inflected by holiness and so theology should aim to share in God's sanctifying work Sanctifying Theology contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrance Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrance and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions

New Churches Will Foulger, Joshua Cockayne, 2024-11-30 New Churches A Theology considers the theological issues and questions that surface from the starting of new churches in the UK context Offering both a theology for starting new churches to support guide encourage and challenge practitioners to plant fully Christian churches and a theology from new churches using new churches as an opportunity to explore vital theological ecclesiological and missiological questions we might otherwise miss the book brings together some of those most significant voices in the conversation today speaking from a wide spread of perspectives including theologians and practitioners pioneers and planters evangelical and Anglo Catholic Contributors include Mark Powley John Valentine Tina Hodgett Christian Selvaratnam Cathy Ross and John Wallace

Trinity and Transformation Todd Speidell, 2016-03-08 The triune God of grace James B Torrance tirelessly insisted is the true agent to transform worship mission and society Unfortunately the church often lapses into moralism and legalism or exhortations and condemnations rather than witnessing to the sole sufficient grace of God in Christ When we neglect the Trinity a de facto unitarianism throws the church back onto its own

existence and resources In Christ however the church participates through the Spirit in union with Christ's communion with the Father By so doing it also participates in Christ's mission to the world The essays of this volume articulate and extend Torrance's evangelical theology which draws attention away from ourselves and toward the triune God who is for us and for the world *The Acts & Proceedings of the ... Regular Session of the General Synod, Reformed Church in America* Reformed Church in America. General Synod, 2007 Issues for 1868 include index For All the Saints Timothy George, Alister E. McGrath, 2003-08-31 How do theology and spirituality relate to one another How does the Christian heart connect with the Christian mind This collection of essays from leading evangelical theologians and writers addresses these concerns through providing scholarly and personal reflections Here you will find discussion of the integration of theology and spirituality biblical and classical sources for spiritual formation a critique of how evangelicals have uncritically appropriated the rhetoric of spirituality and also the use and abuse of spiritual disciplines by evangelicals *Grace and Truth in the Secular Age* Timothy Bradshaw, 1998 Leading evangelical Anglicans have offered these essays in advance of the forthcoming Lambeth Conference as a way of representing classical Anglican positions on subjects many of them controversial that will be debated at Lambeth *Communion with God* Kelly M. Kapic, 2007 Focuses on the concept of communion with God in the work of Puritan theologian John Owen covering key areas such as anthropology the incarnation the Trinity and the Lord's supper Called by a New Name Gerrit Scott Dawson, 1997 In this book Dawson uses the third section of the Book of Isaiah chapters 56-66 as his scriptural basis He leads us through this study by first exploring diminishing names and how we can be free of them The author then directs us to how we may receive the blessing of the new names God bestows upon us My Delight Is In Her Sought Out Repairer of the Breach It uses imaginative stories prayer and reflection to enable us to fully experience the transition from responding to our defeating names to living our fresh identities in God **Studia Liturgica**, 2001 A Community Embrace Sarah Jeanne Rohret, 2007 AAR/SBL Annual Meeting Program American Academy of Religion. Meeting, 1996 *Answering God* Robert Ellis, 2005 Prayer changes things according to the old cliché But what things and how Engaging with biblical texts on prayer Rob Ellis finds valuable guidance on the contents of prayer as well as evidence of early wrestling with its problems He also reviews the works of leading historical theologians such as Origen Augustine Aquinas and Calvin before asking how the question Who is God connects with our thinking about intercession Concluding with a Trinitarian theology of intercession that draws on the work of Karl Barth *Answering God* will be of interest to church ministers leaders and students of theology **The Doctrine of the Trinity in the Works of John Richardson Illingworth and William Temple, and the Implications for Contemporary Trinitarian Theology** Richard Hoskins, 2000 This work illustrates that theologians John Richardson Illingworth and William Temple represent paradigmatically the main strands of trinitarian theology found in the eastern and western churches The extent to which Illingworth represents a so called social trinitarian approach a Temple a so called psychological one is examined The book is theological rather than

biographical and as such it studies their respective trinitarian theologies It reveals not only that English theology has something important to offer but that a comparison of two of its representatives from different generations opens up aspects of the relationship These findings are used in conversation with the contemporary trinitarian scene **GRADIVA JOURNAL OF CONTEMPORARY THEORY AND PRACTICE** ,2000
