Theatre and Religion on Krishna's Stage D. Mason, 2009-05-25 *Theatre and Religion on Krishna s Stage* examines the history and form of India s r s lila folk theatre and discusses how this theatre functions as a mechanism of worship and spirituality among Krishna devotees in India From analyses of performances and conversations with performers audience and local scholars Mason argues that r s lila actors and audience alike actively assume roles that locate them together in the spiritual reality that the play represents Correlating Krishna devotion and theories of religious experience this book suggests that the emotional experience of theatrical fiction may arise from the propensity of audiences to play out roles of their own through which they share a performance s reality

#OrganicJesus Scott Douglas, 2016-06-08 If Generation Next is supposed to question everything and trust no one where does faith fit in Consumers demand that their food be pesticide free their cosmetics and shampoo be paraben free and that everything possible from clothes to toilet paper be made without additives or chemicals But there s nothing that has more additives to the original product than Christianity How do we get back to the 100% organic version of Jesus In his personal search for the organic Jesus Scott Douglas goes on a funny thought provoking romp through the foundations of belief Christianity he says has become a simulacrum a bloated overprocessed image that lacks the true substance of the real thing His search for the original took him far and wide through historical Christ figures urban legends odd facts about the faith freakishly flawed Christians and the Internet Using relatable contemporary anecdotes and unlikely wisdom concealed within humor Douglas reveals a way back to the authentic essence of following Christ By including wiki breaks social media callouts quizzes charts and more OrganicJesus is ideal for readers raised on social media who can t step out of their house without tweeting about it or eat lunch without posting on Instagram Douglas is careful to be as non biased as possible writing not for any particular agenda political or otherwise but instead encouraging readers to seek their own path for spiritual renewal The result is a candid look at modern Christianity that will challenge savvy young Christians to put as much effort into discovering sustainable religion as they do in their pursuit of an organic marketplace **Organic Christian** Scott Douglas, Faith is a dish best served organically You eat your food organically do you live your faith in the same organic way Join author Scott Douglas as he takes you on a journey to understand what it means to follow Christ and what it means to have a personal relationship with Jesus You ll be surprised by how much you ll laugh growing in faith Inside you ll learn about why bad things could possibly happen to good people how God wants us to pray what it means to love our enemies does God want you to be crazy and so much more Whether you are a new Christian old Christian or not even sure if you believe in Christianity this book will have you rethink your belief and help you grow in your relationship with God The agenda here isn t to preach you a certain kind of Christianity rather to help you know God deeper how that looks for you will probably be different from others who read the book Plucking the Winds Stephen Jones, 2004 Tells the story of 20th century China through the eyes of local village musicians in North China and shows the resilience of their ritual traditions under all kinds of

onslaughts The book portrays the lives of members of a village music association an amateur group performing solemn music for wind and percussion instruments as well as mantric vocal liturgy serving funerals and the rituals of the Chinese New Year The villagers remain determined to preserve their heritage even as they participate in the constant transformation of their social environment *And My Soul Will Be Healed* John Joseph Schauer, 2025-01-15 Opera a lavish form of musical entertainment that for over 400 years has been seen by different observers as intimidating lofty ridiculous mysterious glamorous gripping boring and otherworldly It is also the most gender fluid of the arts featuring in its earliest days male singers who had been castrated as boys to preserve their high voices and continuing to the present when women still don trousers to portray men on stage To Jeremy Blatz it is a fascinating distraction from an unfulfilled life marred by the frustrations of an unrewarding job as a second string music critic and a marriage that seems to be dissolving before his eyes But it is not until his sleep is routinely interrupted by asthma attacks that he finally seeks treatment from a hypnotherapist who to Jeremy s delight also has connections to the backstage world of the local opera company But what begins as an intriguing artistic exploration becomes a sinister obsession as Jeremy witnesses a series of acclaimed sopranos suffer bizarrely grotesque deaths after their association with the opera world s greatest male sex symbol the Egyptian American bass baritone Ramzi Matthews It is through the intercession of his hypnotherapist that Jeremy becomes friends with Ramzi even as his own hypnosis sessions become infused with shocking trance induced visions of Satanic rituals sexual abuse and human sacrifice all colored by the residual religious guilt that engulfs Jeremy from his childhood Catholic upbringing Jeremy eventually becomes determined to save his favorite singer a uniquely gifted soprano named Vanessa Williams who coincidentally is also undergoing hypnosis treatments from the same therapist from meeting a similarly morbid fate by using his investigative skills to unravel the intricately woven threads of her less fortunate colleagues lives The shocking truth he ultimately uncovers changes his life forever **Actors of Influence** Eric Clemence Rath, 1997 *Faith in Action* Richard L. Heggie, 1977 *Not Without My Neighbour* S. Wesley Ariarajah, 1999 Meeting people of other faiths is an everyday experience not only for minority Christian communities in Asia and the Middle East but increasingly for Christians elsewhere Yet although interfaith dialogue has established itself as a key concern for the churches and the ecumenical movement it continues to raise spiritual social political practical and theological concerns in many quarters The insights in this book draw on the author s wide range of personal experiences as a child student and Methodist pastor in Sri Lanka as a participant in the controversial discussion of interfaith dialogue at the World Council of Churches fifth assembly Nairobi 1975 as a student of Hinduism and especially as a longtime staff member

and director of the WCC's dialogue programme Weaving together accounts from daily life ecumenical texts and discussions and theological reflection this book offers a clear and challenging introduction to key issues that arise again and again when Christians and churches enter into conversation with their neighbours of other faiths among them interfaith prayer interfaith marriage religion and conflict and dialogue and mission *NRB* ,2007 **Players Magazine** ,1945 The Dictionary of Failed Relationships Meredith Broussard,2003 Broussard presents an edgy and entertaining collection of fiction written by both established and up and coming women writers all under 40 With stories titled for each letter of the alphabet the book features contributors such as Jennifer Weiner Susan Minot and Pam Houston **Selections from People's Republic of China Magazines** ,1974
