People hurting people with their words and actions is a known reality in most of our Christian environments, and this kind of pain can affect the lives of Christians all over the world. Insults and ridicule have become commonplace in our society and in our churches, and many of us have begun to speak critically of our brothers and sisters in Christ, never giving a thought to the consequences or the emotional pain that it can cause. Church Hurts and the Healing Process invites Christians to consider their own church hurts, both the ones they've experienced and the ones they've inflicted. Author Dot Kelley shares biblical advice and wisdom for treating the wounds we can experience while on our Christian walks with our fellow brothers and sisters. And through the healing power of forgiveness, Christians can learn how to manage their relationships and trust in God's love to make the necessary changes. In the end, embracing this gift from God will help us love beyond our pain. You can receive healing through acts of unconditional love and forgiveness for others. And Church Hurts and the Healing Process can restore your wounded heart through humility, helping you to display God's kind of love and forgiveness—the same kind of love that he showed when Christ shed his blood for us on the Cross at Calvary.
