

The background is a dense, abstract painting. It features a dark, swirling, almost black central area that transitions into lighter, more textured regions of brown, tan, and white. On the right side, there are prominent, bold red shapes that resemble stylized, elongated figures or perhaps a large, abstract letter 'A'. The overall composition is highly textured and layered, suggesting a sense of depth and complexity.

Digest; Review of Reviews Incorporating Literary Digest ,1897 *Robert Mugabe and the Will to Power in an African Postcolony* William J. Mpofu,2021-03-04 This book is a philosopher s view into the chaotic postcolony of Zimbabwe delving into Robert Mugabe s Will to Power The Will to Power refers to a spirited desire for power and overwhelming fear of powerlessness that Mugabe artfully concealed behind performances of invincibility Nietzsche s philosophical concept of the Will to Power is interpreted and expanded in this book to explain how a tyrant is produced and enabled and how he performs his tyranny Achille Mbembe s novel concept of the African postcolony is mobilised to locate Zimbabwe under Mugabe as a domain of the madness of power The book describes Mugabe s development from a vulnerable youth who was intoxicated with delusions of divine commission to a monstrous tyrant of the postcolony who mistook himself for a political messiah This account exposes how post political euphoria about independence from colonialism and the heroism of one leader can easily lead to the degeneration of leadership However this book is as much about bad leadership as it is about bad followership Away from Eurocentric stereotypes where tyranny is isolated to African despots this book shows how Mugabe is part of an extended family of tyrants of the world He fought settler colonialism but failed to avoid being infected by it and eventually became a native coloniser to his own people The book concludes that Zimbabwe faces not only a simple struggle for democracy and human rights but a Himalayan struggle for liberation from genocidal native colonialism that endures even after Robert Mugabe s dethronement and death **The New York Times Film Reviews 1999-2000** New York Times Theater Reviews,2001-12 From the Oscar winning blockbusters *American Beauty* and *Shakespeare in Love* to Sundance oddities like *American Movie* and *The Tao of Steve* to foreign films such as *All About My Mother* the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in *The New York Times* between January 1999 and December 2000 Includes a full index of personal names titles and corporate names This collection is an invaluable resource for all libraries
