**The Conservator** ,1916      *Called to War* Art Hobba,2010-04-15 The Christian radio talk show host asked the well known women s ministry leader the question So what do you think about the statement that men in the church have been feminized Her immediate response was I totally disagree Men in American have not been feminized at all they have been emasculated Men don t feel a need to be more like women they just have lost their identity as men This book begins with the true story told by a washed up minister whom God forgave healed restored and reenlisted in his service The real story lies however how a few men discontented with the detachment of men in their church and inspired by the Holy Spirit discovered a pathway to re engagement as God s man in this hour or maybe real engagement for the very first time Many of you who chose to read this book may have suffered through some potentially debilitating failures We have much in common my friend In fact I have learned to not trust a man until he has shown me his scars Welcome to Warrior Boot Camp The reader will take a journey through a season of breaking down and shredding of the things of this world that have insidiously crept like tendrils into our hearts and minds We will then explore the practical military view including strategies and tactics that is pervasive throughout scripture regarding our calling to engage and win the spiritual war against our three foes The world system The carnal human nature The demonic spiritual realm led by Satan The second half of the book builds up the reader with the understanding of how to dress for success in the Kingdom by putting on and effectively fighting in God s armor Ephesians 6 Warriors must be expert in weaponry and the invisible war of the Spirit is not the exception but the rule The real hero of this Warrior saga is Gideon Judges 6 8 We will get into his shoes as he hides in the wine press and then into his head and finally his heart as he is transformed from fearful farmer to mighty warrior Together we will explore the common threads of manhood as lived out by the greatest warrior in Israel s history *Called to War* will most assuredly be compared with *Wild at Heart* and *Raising a Modern Day Knight* Art Hobba s resourcefulness takes new ground earning inclusion in this unique fellowship of unabashed Servant Warriors Men of God saddle up you have been *Called to War*      The V. McLoughlin,2013-03-06 In *Revivals Awakenings and Reform* McLoughlin draws on psychohistory sociology and anthropology to examine the relationship between America s five great religious awakenings and their influence on five great movements for social reform in the United States He finds that awakenings and the revivals that are part of them are periods of revitalization born in times of cultural stress and eventuating in drastic social reform Awakenings are thus the means by which a people or nation creates and sustains its identity in a changing world This book is sensitive thought provoking and stimulating It is must reading for those interested in awakenings and even though some may not revise their views as a result of McLoughlin s suggestive outline none can remain unmoved by the insights he has provided on the subject Christian Century This is one of the best books I have read all year Professor McLoughlin has again given us a profound analysis of our culture in the midst of revivalistic trends Review and Expositor **The Age of Steel** ,1896 **In the Footsteps of the Masters** Dickson Mungazi,2000-02-28 The height of colonial rule on the African continent saw two prominent religious leaders step to the fore Desmond Tutu in South Africa and Abel Muzorewa in Zimbabwe Both Tutu and Muzorewa believed that Africans could govern their own nations responsibly and effectively if only they were given the opportunity In expressing their religious views about the need for social justice each man borrowed from national traditions that had shaped policy of earlier church leaders Tutu and Muzorewa argued that the political development of Africans was essential to the security of the white settlers and that whites should seek the promotion of political development of Africans as a condition of that future security Desmond Tutu and Abel Muzorewa were both motivated by strong religious principles They disregarded the possible personal repercussions that they might suffer as a result of their efforts to alter the fundamental bases of their colonial governments Each man hoped to create a new national climate in which blacks and whites could cooperate to build a new nation Each played a part in eventual independence for Zimbabwe in 1980 and for South Africa in 1994 Mungazi s examination of their efforts reveals how individuals with strong convictions can make a difference in shaping the future of their nations *Direct Psychotherapy: Assertion-structured therapy* Ratibor-Ray M.
