Women Entrepreneurs Sandra J. Wells, 2014-02-04 First Published in 1998 Female entrepreneurs represent a rapidly
growing element of corporate America as evidenced in The National Women s Business Council s 1991 Annual Report to the
President of the United States and Congress Given that so much of the business of America is composed of organizations
started and run by women a sobering statistic presented in the same report attests to the failure rate of these businesses
women owned businesses fail at a rate seven to eleven percent higher than businesses owned by men Given the theoretical
foundation of the nature of adult learning this research explored the phenomenon of learning for a select group of adult
