The Warriors Honor Ethnic War And The Modern Conscience:

The Warrior's Honor Michael Ignatieff, 1998-10-15 Since the early 1990s Michael Ignatieff has traveled the world's war zones from Bosnia to the West Bank from Afghanistan to central Africa. The Warrior's Honor is a report and a reflection on what he has seen in the places where ethnic war has become a way of life. Ignatieff charts the rise of the new moral interventionists: the relief workers, reporters, delegates, and diplomats who believe that other people's misery is of concern to us all. And he brings us face to face with the new ethnic warriors: the warlords, gunmen, and paramilitaries who have escalated postmodern war to an unprecedented level of savagery. Hard hitting and passionate, The Warrior's Honor is a profound and searching exploration of the perils and obligations of moral citizenship in a world scarred by war and genocide. **The**

Warrior's Honour Michael Ignatieff, 2006 The Warrior's Honour is a profound and searching exploration of the troubled connection between the zones of safety and the zones of danger that configure the modern world. Reporting from places where ethnic conflict has become a way of life from the West Bank to Bosnia from Afghanistan to central Africa, Ignatieff brings astute analysis and insight to the complexity of the modern world. Few have probed ethnic conflict more deeply than Michael Ignatieff. The Warrior's Honour combines superior reporting with provocative and troubling insights. The New York Review of Books Ignatieff is a public intellectual at his journalistic best here dedicating his academically trained mind to marshalling the facts, interpreting the world, and forcing us to care about horrors we might otherwise not see. The Warrior's Honour enlarges our understanding of the moral dilemmas of global society. The Financial Post Ignatieff grounds his painful insights and liberal analysis in a penetrating assemblage of facts, voices, and pathos that is worthy of comparison with the literary reportage of Rebecca West, Edmund Wilson, and Janet Flanner. The Boston Globe **Rethinking the Nature of War**

Isabelle Duyvesteyn, Jan Angstrom, 2005 Have globalization, virulent ethnic differences, and globally operating insurgents fundamentally changed the nature of war in the last decade? Interpretations of war as driven by politics and state rationale formulated most importantly by the 19th century practitioner Carl von Clausewitz have received strong criticism. Political explanations have been said to fall short in explaining conflicts in the Balkans, Africa, Asia, and the attacks of 11 September 2001 in the United States. This book re-evaluates these criticisms not only by scrutinising Clausewitz's arguments and their applicability but also by a careful reading of the criticism itself. In doing so, it presents empirical evidence on the basis of several case studies addressing various aspects of modern war such as the actors, conduct, and purposes of war. **The**

Ashgate Research Companion to Modern Warfare John Buckley, George Kassimeris, 2016-03-23 This research collection provides a comprehensive study of important strategic, cultural, ethical, and philosophical aspects of modern warfare. It offers a refreshing analysis of key issues in modern warfare not only in terms of the conduct of war and the wider complexities and ramifications of modern conflict but also concepts of war, the crucial shifts in the structure of warfare, and the morality and legality of the use of force in a post-9/11 age. **Fanaticism and Conflict in the Modern Age** Matthew Hughes, Gaynor

to withdraw from the area of operation completely whether to ensure the safety of their own staff or because they believe that their integrity is unacceptably compromised by staying Development and Humanitarianism addresses these and other dilemmas that aid agencies face in interpreting the principles of humanitarianism in contexts where they risk being manipulated by political agendas The contributors have extensive experience as frontline aid workers agency policy makers academics and researchers and professional consultants around the world Like every book in the Development in Practice Readers series Development and Humanitarianism draws on the contents of the acclaimed international journal Development in Practice and includes an annotated resource list of recent publications relevant journals organizations and websites presenting a cutting edge guide to thinking and action Other Contributors Gretchen Alther Andrew Bonwick Julia Buckmaster Udan Fernando Dorothea Hilhorst Jonathan Makuwira Vanessa Pupavac Volker Schimmel Astri Suhrke Frank James Tester Martha Thompson and Suzanne Williams **Journal of Hispanic/Latino Theology**, 2001 International Law and Armed Conflict Noëlle Quénivet, Shilan Shah-Davis, 2010-03-18 Symposium on International Law and Armed Conflict in September 2008 at the University of the West of England UK Preface **Tragic Manhood and Democracy** David A. J. Richards, 2004 What is tragedy This work argues that it is at once art and science an absorbing art and precisely observed empirical inquiry into human psychology whose subject matter is the dilemma of manhood under democracy The author expands discussion of the idea of the tragic to include music drama in general and the operas of Verdi in particular and explores the indispensable contribution of tragedy to an understanding of personal and political psychology through discussion of the political theory of structural injustice resting on the suppression of voice underlying evils like racism sexism and homophobia a developmental psychology of gender drawing on the work of Carol Gilligan the Harvard Project on Women's Psychology Boy's Development and the Culture of Manhood and an interpretation of tragic art including the expressive role of music in it Exploration of the tragic impact of patriarchy on democratic voice is at the heart of the power and appeal of Verdi's innovations in musical voice At its core is a complex psychic geography of patriarchal practices imposed on personal and political relationships parents to children siblings to one another and adult men and women Such practices fundamental to the family politics and religion enforce demands by forms of physical and psychological violence directed by men and women at anyone who deviates from its demands Verdi's tragic musical drama speaks of an emotional loss that literally cannot under patriarchy be spoken namely what the author calls the tragedy of patriarchy a divided psychology that lives in the tension between patriarchal practices and democratic principles and between the psychological demands of patriarchy and democratic manhood **Courting Death** Desmond Manderson, 1999 This collection deals with complex issues relating to death such as mercy killings the right to die and murder the relationship will always be controversial This timely and provocative collection brings together scholars from Australia Britain and the US **Perplexities of Identification** Henk Driessen, Ton Otto, 2000 This text explores how identities emerge persist and change and which power resources are tapped

in the course of this process The Social Contract ,1999 *Politeia* ,2006 English and Afrikaans with abstracts in English
 International Relations in the New Century Marianne Hanson, William T. Tow, 2001 This edited volume links selected international relations IR issues to various dimensions of Australian foreign policy It represents one of the first efforts to integrate specifically Australian based thinking about such diverse global problems into a readily understandable guide of how they will affect our lives in the early twenty first century Such emerging challenges as globalisation human rights and environmental politics are considered in conjunction with more traditional but no less significant policy questions of alliance politics and arms control Most of the issues considered in this book are also considered in light of enduring theoretical questions that continue to dominate the IR field such as the realist liberal debate and how national interest is factored into policy formulation *Victoria University of Wellington Law Review* ,1999 *The Wilson Journal of International Affairs* ,2005
