PRAISE At long last the Washingtons have a published history worthy of their place in history Glenn has done a masterful job I am convinced that his work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of *The Smoothbore Volley that Doomed the Confederacy* and *Stonewall Jackson at Cedar Mountain*

America's Forgotten Suffragists Nicole Evelina, 2023-03-01 After being forgotten for nearly 130 years the Mother of Suffrage in Missouri and her husband are finally taking their rightful place in history St Louisans Virginia and Francis Minor forever changed the direction of women s rights by taking the issue to the Supreme Court for the first and only time in 1875 a feat never eclipsed even by their better known peers Susan B Anthony and Elizabeth Cady Stanton Yet despite a myriad of accomplishments and gaining notoriety in their own time the Minors names have largely faded from memory In 1867 Virginia founded the nation s first organization solely dedicated to women s suffrage two years before Anthony formed the National Woman s Suffrage Association NWSA Virginia and Francis were also the brains behind the groundbreaking idea that women were given the right to vote under the Fourteenth Amendment a philosophy the NWSA adopted for nearly a decade And their story doesn t end there After the court case Francis went on to become a prolific writer on women s rights and one of the first and strongest male allies of the suffrage movement Virginia instigated tax revolts across the country and campaigned side by side with Anthony for women s rights in Missouri Kansas and Nebraska *America s Forgotten Suffragists* Virginia and Francis Minor is the first biography of these suffrage celebrities who were unique for their time in being jointly dedicated to the cause of female enfranchisement This book follows their lives from slave holding Virginians through their highly lauded civilian work during the Civil War and into the height of the early suffrage movement to show how two ordinary people of like mind dedicated to a cause can change the course of history
