## **The Wiley Blackwell Companion To The Anglican Communion:**

**The Wiley-Blackwell companion to the Anglican communion** Ian S. Markham, 2013      **The Wiley-Blackwell Companion to the Anglican Communion** Ian S. Markham, J. Barney Hawkins, IV, Justyn Terry, Leslie Nuñez Steffensen, 2013-03-13 This uniquely comprehensive reference work provides a global account of the history expansion diversity and contemporary issues facing the Anglican Communion the worldwide body that includes all followers of the Anglican faith An insightful and wide ranging treatment of this dynamic global faith offering unrivalled coverage of its historical development and the religious and ethical questions affecting the church today Explores every aspect of this vibrant religious community from analyzing its instruments of Unity to its central role in interfaith communication Spans the Anglican Communion s long history through to 21st century debates within the church on such issues as sexual orientation of clergy and the pastoral role of women Features a substantial articles on the Church s 44 provinces including a brief history of each Brings together a distinguished and international team of contributors including some of the world s leading Anglican commentators      **The Anglican Communion at a Crossroads** Christopher Craig Brittain, Andrew McKinnon, 2018-04-17 Worldwide debates over issues of sexuality and gender have come to a head in recent years in mainline and evangelical churches with the Anglican Communion a worldwide network of churches that trace their practice to Canterbury and claim some 85 million members among the most publicly visible sites of contestation This thorough and compelling analysis of the conflicts within the Communion argues that they are symptoms of long simmering issues that must be addressed when Anglican bishops and archbishops meet at the 2020 Lambeth Conference To many the disagreements over such issues as LGBTQ clergy same sex marriage and women s ordination suggest an insurmountable crisis facing Anglicans one that may ultimately end the Communion Christopher Craig Brittain and Andrew McKinnon argue otherwise Drawing on extensive empirical research and interviews with influential Anglican leaders they show how these struggles stem from a complex interplay of factors notably the forces and effects of globalization new communications technology and previous decisions made by the Communion In clarifying both the theological arguments and social forces at play as the bishops and primates of the Anglican Communion prepare to set the Church s course for the next decade Brittain and McKinnon combine sociological and theological methodologies to provide both a nuanced portrait of Anglicanism in a transnational age and a primer on the issues with which the Lambeth Conference will wrestle Insightful informative and thought provoking The Anglican Communion at a Crossroads is an invaluable resource for understanding the debates taking place in this worldwide community Those interested in Anglicanism sexuality and the Christian tradition the sociology of religion and the evolving relationship between World Christianity and churches in the Global North will find it indispensable      Ministry in the Anglican Tradition John L. Kater, 2025-09-04 This book offers a global perspective on how Anglican ministry evolved throughout a century marked by radical upheavals and dramatic changes in theological social and political perspectives That

history begins with the end of the Victorian era when Anglicanism had spread around the world but was deeply enmeshed with colonialism and it was assumed that it was shaped and defined by its North Atlantic history Kater explores how the Anglican Way became rooted in widely different contexts and identifies the many pressures and movements that challenged that history including two world wars a global Depression anti colonialism and the struggles against the many forms of oppression and discrimination that marked the century This book is the story of how Anglican ministry has been broadened and deepened by its constantly growing diversity even as that diversity has brought new challenges

**Growth and Decline in the Anglican Communion** David Goodhew, 2016-12-15 The Anglican Communion is one of the largest Christian denominations in the world Growth and Decline in the Anglican Communion is the first study of its dramatic growth and decline in the years since 1980 An international team of leading researchers based across five continents provides a global overview of Anglicanism alongside twelve detailed case studies The case studies stretch from Singapore to England Nigeria to the USA and mostly focus on non western Anglicanism This book is a critical resource for students and scholars seeking an understanding of the past present and future of the Anglican Church More broadly the study offers insight into debates surrounding secularisation in the contemporary world

**The Oxford History of Anglicanism, Volume V** William L. Sachs, 2017-12-15 The Oxford History of Anglicanism provides a global study of Anglicanism from the sixteenth century to the twenty first The five volumes in the series look at how Anglican identity was constructed and contested since the English Reformation of the sixteenth century and examine its historical influence during the past six centuries They consider not only the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in Western culture and a burgeoning force in non Western societies since the nineteenth century Written by international experts in their various historical fields each volumes analyses the varieties of Anglicanism that have emerged The series also highlights the formal political institutional and ecclesiastical forces that have shaped a global Anglicanism and the interaction of Anglicanism with informal and external influences which have both moulded Anglicanism and been fashioned by it Volume five of The Oxford History of Anglicanism considers the global experience of the Church of England in mission and in the transitions of its mission Churches towards autonomy in the twentieth century The Church developed institutionally yet more than the institutional history of the Church of England and its spheres of influence is probed The contributors focus on what it has meant to be Anglican in diverse contexts What spread from England was not simply a religious institution but the religious tradition it intended to implant The volume addresses questions of the conduct of mission its intended and unintended consequences It offers important insights on what decolonization meant for Anglicans as the mission Church in various global locations became self reliant This study breaks new ground in describing the emergence of an Anglicanism shaped more contextually than externally It illustrates how Anglicanism became enculturated across a broad swath of cultural contexts The influence of context and the challenge of

adaption to it framed Anglicanism's twentieth century experience      **Of Thine Own Have We Given Thee** Shawn O. Strout, 2023-04-13 Every Sunday around the world Christians offer money and in kind gifts to the church traditionally known as alms For communities that celebrate the Eucharist regularly bread and wine traditionally known as oblations often accompany these gifts What does it mean theologically for Christians to offer gifts to God who first offered the greatest gift of Jesus Christ This question regarding the role of alms and oblations in the liturgy was among the most controversial questions of the English Reformation in the sixteenth century While the eucharistic prayer proper has often been the site of this theological controversy the offertory rite has also received great attention The 1552 English Book of Common Prayer excised all references to oblation in the offertory rite but oblationary language and actions such as the offertory procession returned in full force by the twentieth century The movement from the near elimination of oblation in the offertory rite to its widespread usage in the churches of the Anglican Communion is a remarkable liturgical and theological development Using liturgical theology's tools of historical textual and contextual analyses this book explores how this development occurred and why it is important for the church today      **The Wiley Blackwell Companion to World Christianity** Lamin Sanneh, Michael McClymond, 2016-05-23 The Wiley Blackwell Companion to World Christianity presents a collection of essays that explore a range of topics relating to the rise spread and influence of Christianity throughout the world Features contributions from renowned scholars of history and religion from around the world Addresses the origins and global expansion of Christianity over the course of two millennia Covers a wide range of themes relating to Christianity including women worship sacraments music visual arts architecture and many more Explores the development of Christian traditions over the past two centuries across several continents and the rise in secularization      *Между Западом и Востоком* Ирина Юрьевна Смирнова, 2016      **The Wiley Blackwell Companion to Liturgical Theology** Porter C. Taylor, Khalia J. Williams, 2025-06-30 A groundbreaking collection of original essays on the meaning depth and breadth of liturgical theology The Wiley Blackwell Companion to Liturgical Theology offers an unprecedented account of this rapidly growing and interdisciplinary field Unique in its depth and scope this comprehensive volume defines the field of liturgical theology examines its historical development describes its mission and methodologies reviews key theory and literature and more Original essays written by prominent and emerging scholars situate liturgical theology within the broader scheme of theological inquiry reflecting the field's close links to systematic and biblical theology ritual and socio anthropological studies and religious studies Designed for students and scholars alike the companion serves as both an introduction to the field and as a clarion call to push the boundaries of existing research The collected essays incorporate constructive research and practical application in essential areas of liturgical theology discussing foundational topics including liturgical ecclesiology linguistics and hermeneutics the epistemology of liturgy and the holy sacraments Looking toward the future of the field many essays focus on emerging subjects such as womanist liturgical theology liturgy and trauma and liturgical theology as

ecclesial discernment This unique state of the art overview Brings together contributions by a diverse panel of scholars representing more than a dozen denominations spanning five continents Features a detailed introductory section containing traditional hermeneutics literature reviews and methodological examinations Bridges the generational gap between younger and older practitioners within the field Describes the current state of liturgical theology and suggests future research directions placing liturgical theology within the broader scheme of theological inquiry The first research based volume of its kind The Wiley Blackwell Companion to Liturgical Theology is the perfect textbook for seminarians and lay students in courses on liturgical theology the history of worship and practical theology as well as a valuable resource for theologians of all disciplines With both professor practitioner and student in mind this collection of essays is designed to educate and inspire through constructive research and application in all matters of liturgical theology Forthcoming Books Rose Arny,2003 The Student's Companion to the Theologians Ian S. Markham,2013-04-01 As browsable as it is useful this encyclopedic volume reads like a leisurely conversation among old friends It will refresh professors inspire students and delight all who love the church This is a book that will be fun to read in the short term but will last a long time on your library shelf Stephen H Webb Wabash University This two volume companion brings together a team of contemporary theologians and writers to provide substantial introductions to the key people who shaped the Christian story and tradition Comprises over 75 entries on the most important and influential figures in the history of Christianity written by an international team of nearly 50 contemporary theologians A to Z entries range from substantial essays to shorter overviews each of which locates the theologian in their immediate context summarizes the themes of their work and explains their significance Covers a broad span of theologians from Augustine to Thomas Aquinas through to C S Lewis James Cone and Rosemary Radford Reuther Accessibly structured around five periods early centuries middle ages reformation period the Enlightenment and the twentieth century to the present Provides profiles of key Catholic protestant evangelical and progressive theologians Explains the technical details of theology in accurate and accessible ways and includes a variety of student aids including a timeline to orientate the reader reading lists and a glossary of key terms **Bookseller and the Stationery Trades' Journal** ,1883 **The Blackwell Companion to Nineteenth-Century Theology** David Fergusson,2010-03-18 Bringing together a collection of essays by prominent scholars The Blackwell Companion to Nineteenth Century Theology presents a comprehensive account of the most significant theological figures movements and developments of thought that emerged in Europe and America during the nineteenth century Representing the most up to date theological research this new reference work offers an engaging and illuminating overview of a period whose forceful ideas continue to live on in contemporary theology A new reference work providing a comprehensive account of the most significant theological figures and developments of thought that emerged in Europe and America during the nineteenth century Brings together newly commissioned research from prominent international Biblical scholars historians and theologians covering the key thinkers

confessional traditions and major religious movements of the period Ensures a balanced ecumenical viewpoint with essays covering Catholic Russian and Protestant theologies Includes analysis of such prominent thinkers as Kant and Kierkegaard the influence and authority of Darwin and the natural sciences on theology and debates the role and enduring influence of the nineteenth century anti theologians     The Bookseller ,1883 Official organ of the book trade of the United Kingdom
