Bulletin of Photography John Bartlett, Frank V. Chambers, Francis Stapleton Chambers, 1923 *Golf My Way* Jack Nicklaus, 2007-11-01 Hailed as a classic and read everywhere golf is played *Golf My Way* has sold more than 2 million copies worldwide since it was first published in 1974 Finally Jack Nicklaus golf s leading master definitively covers the whole of his game through a lifetime of greatness *Golf My Way* presents an all inclusive A to Z explanation of how this greatest of champions thinks about and plays the game This book includes New introduction endpiece and illustrations Brand new chapters discussing the changes in Nicklaus s outlook and techniques Reflections on the differences in tournament golf today compared with when Nicklaus joined the PGA tour in 1962 Advice on the mental elements of improved playing that are not directly related to ball striking or shot making **The Golf Book** Robert Sudha Hamilton, 2022-02-24 This is a book about golf and in particular why the game of golf is so special It is a book about why I love the game and why it has captured my passion and imagination Golf is unlike most other sporting contests in that you play primarily against the course and to a lesser extent against your playing partners and other competing golfers The lie of the land challenges you from the opening tee shot until the final putt drops The golf ball is not moving around when you come to play your shot and so appears to benignly beckon you to strike it The ground however may not be flat beneath your feet and uneven lies are common all over the course The face of the club head and golf ball are relatively small surfaces especially when you draw back the club head on a lengthy shaft until it is behind your head Returning the face of the club head square to the back of the ball at speed is no easy task for the beginner at the game of golf My intention in writing this book is to get inside some of the magical moments and some of the more humorous aspects of the game of golf There is an undeniable communing with nature flavour underpinning the game of golf where the field of play is so massive and majestic All successful subcultures have their own jargon which is delightfully shared by its members Golfers love to swap cliches whilst on the course as a rich part of the golfing experience A golf ball propelled onto the green by a well struck shot is said to be on the dance floor A shot struck beyond the green has airmailed the green An ace is a rare hole in one and this is an exclusive club within the game of golf for those golfers who have achieved this feat Golfers wanting a ball to cease its journey across the green cry out bite A putt successfully rolled into the hole is drained Alternatively that putt could lip out and fail to remain in the hole Golf is a test of character and your sporting mettle A test of how you can stand up to scrutiny and the individual demands of a solo game like golf I think this is a big part of the game s appeal Men and women enjoy the challenge of pitting themselves against the course There is nowhere to hide during a competitive round and you only have yourself to blame when you muck it up and
