The Way Forward Nurturing New Believers:

The Way Forward - Nurturing New Believers Michael Green, 2013-05-31 This little book was written to help new Christians make the transition to a wholly different life on which they've now embarked. The Way Forward stands as a bridge between the non-Christian or the merely nominal church member and those who are actively enjoying the warm relationships of fellowship in Christ. Sadly, there is a real shortage of materials that can be used to address the critical need of nurturing a new believer. New believers definitely need some help if they are going to be able to adjust to the fresh world of being in Christ. In The Way Forward, Michael Green gives us exactly what is needed: a refreshingly straightforward path but a theologically sound one that also leaves room for the Holy Spirit to work. It is aimed at those who have recently come to personal faith in Christ but is also of value for any Christian. The content has already proved to be fruitful, having been extensively tested in both church and university settings in America and the U.K. [A Handbook for New Believers](#)

Shelleann M. Brown, 2022-08-01 Congratulations! The Holy Spirit has knocked on your heart's door. You opened and let Him in. Then you made a public declaration to serve Him in believer's baptism. What are the next steps? In [A Handbook for New Believers](#), author Shelleann M. Brown provides you advice, tips, and tools to help you survive your early life with Christ Jesus. This guide includes information on a host of topics including lifestyle changes, prayer, fasting, reading, and understanding the word, tithes and offerings, testimony, sanctification, the Holy Spirit, communion, doctrine, and church culture and discipleship. Geared toward Christians of all denominations, its reflections and questions encourage you to take time with God to develop some new values, norms, and morals that will change some of your old doings and be transformed to the newness of life in your new walk. From the center of Jamaica in the heart of Downtown Kingston, its capital, Brown produces a Biblical friend and guide for all babies in Christ, aiding in the spiritual growth of each new believer. God's Church for God's World Stephen Spencer, 2023-07-25 Convened by the Archbishop of Canterbury in 2022, the Lambeth Conference was an international meeting of Anglican bishops. The conference discussed church and world affairs and the global mission of the Anglican Communion for the decade ahead. The Lambeth Conference 2022 Report, *God's Church for God's World*, offers a detailed record of the conference and full outlines of the major addresses and departmental reports. It also presents the final wording of the Lambeth Calls and Statements. [From the Ground Up](#) Stephen Leston, 2025-06-27

In the pursuit of making disciples of all nations, it's essential to remember the core of our mission: gospel-centered relationships. It's not about numbers or visible success. Instead, it's about the deep personal connections we form to make disciples. Yet in a world where globalism clashes with nationalism and tribalism, and civilizations clash with civilizations, missionaries face tough challenges to overcome hate and distrust and authentically engage believers. In a comprehensive guide filled with wisdom and personal stories, pastor and missionary Stephen Leston relies on his professional experience in cross-cultural church planting in complex regions to share a groundbreaking approach to church planting and discipleship.

He frames discipleship as a lifelong journey for followers of Jesus not at the moment of conversion or teaching doctrine Included are strategies to navigate diverse and hostile environments while fostering vibrant communities practical methods to build trust and ensure the church blends seamlessly with the local culture without compromising the gospel and reminders to measure discipleship impact through the lens of relationships and multiplication not attendance buildings or cash From the Ground Up offers a revolutionary approach and practical strategies that guides church planters and missionaries to first love people then make disciples and then form those disciples into local churches
