## **The Wholehearted Marriage Fully Engaging Your Most Important Relationship:**

The Wholehearted Marriage Greg Smalley, Shawn Stoevers, 2009-06-02 The Wholehearted Marriage offers practical tools for helping couples keep a passionate connection with one another and understand the role their hearts play in their lives Drs Smalley and Stoevers maintain that circumstances such as busy lifestyles differences between spouses personal baggage the loss of a loved one childhood trauma etc trigger reactions that condition us to close up our hearts for protection blocking the flow of love A disengaged protected heart makes it impossible to experience an intimate connected marriage As a result couples drift apart trying to find some version of contentment or they give up altogether and look for love somewhere else Through their experiences in marriage counseling Drs Smalley and Stoevers discovered that the commonly heard phrase I don't love him/her anymore is merely a camouflaged misunderstanding about what true love is and God's design for it They affirm that love is more than just a feeling and that to have true lasting intimacy couples need to learn to love wholeheartedly

**Fight Your Way to a Better Marriage** Greg Smalley, 2012-11-06 In this counterintuitive book author Dr Greg Smalley maintains that fighting is actually good for a marriage When couples fight they have the opportunity to get to the real issue lurking below the surface about money sex in laws kids etc And that real issue Dr Smalley says is fear fear of rejection inadequacy or powerlessness to name a few What assuages these fears are things like intimacy respect validation love and connection Learning to take advantage of the opportunity that conflict provides is what this book is all about The good news of Fight Your Way to a Better Marriage is that conflict when handled correctly is the doorway to intimacy and understanding As Dr Smalley leads readers through the many faces of conflict he is open and candid about his own marriage and the unproductive fights he and his wife have had He uses his fears and emotional triggers as examples to help readers discover their own Couples will learn how to fight their way to a better marriage using the skills concepts and exercises shared in this remarkable book Typical marriage fights money sex in laws and kids But what if fights could trust respect intimacy and understanding WHAT IF CONFLICT IN MARRIAGE COULD BE A GOOD THING The truth is that marriages and spouses can't grow without conflict Some of the many values of conflict include An opportunity to break old ineffective patterns A way to guard against being too comfortable or too complacent which breeds mediocrity and boredom Insight into your own personal issues A window for viewing each other's deepest feelings and needs Reduction of tension as emotions are vented and stress is released Greater trust and intimacy after pushing through difficult and heated conversations Higher levels of marital satisfaction every time you manage the conflict well The sole reason we have the amazing experience of makeup sex *Your Fortune-telling Birthday Song-book* Irving Caesar, Gerald Marks, 1940 **The Wholehearted Wife** Erin Smalley, Greg Smalley, Gary Smalley, 2014-06-20 Although it takes two to have a great marriage an important truth for any marriage partner to realize is that he or she can really change no one other than him or herself Nevertheless changes in just one person can have an amazing impact on a marriage relationship Instead of focusing on How do I have a better marriage this book

embraces that truth and helps women ponder the question How can I be the best wife I can be It provides every woman with skills information and encouragement to make a positive difference to this and future generations by wholeheartedly investing in her marriage and her relationship with her husband today The Wholehearted Wife is written by Erin and Greg Smalley along with Gary Smalley the creator and presenter of Keys to a Loving Relationship one of the best selling video series of all time Recognizing that most if not all married women have either experienced a time when her marriage felt lifeless or sat with another female friend or family member who was experiencing that situation this book is also a wonderful resource for those times

**Wholehearted Love** Ronald Hammond, Stephanie Hammond, 2020-11-07 Guard your heart above all else for it determines the course of your life Proverbs 4 23 NLT If we desire to live peaceably with our spouses and others the first thing we must take care of is our heart In this book we draw the parallel between the condition of our physical heart and our spiritual heart to arrive at some fundamental marital truths The New Testament uses the Greek term *kardia* to denote the heart as the center of both physical and spiritual life In the physical sense the heart is the primary organ and regulator of our blood circulation to all parts of our body Its pace and vigor are important indicators of our general well being The spiritual heart is the center and of all our beliefs attitudes and impulses thoughts passions desires appetites affections purposes and endeavors It is the seat of our understanding of our intelligence of our will and character The responses of our spiritual heart are an indicator of our relationship with God and man This powerful book shows you how to maintain a healthy spiritual heart a joy filled marriage and shows you ways to remove any heart blockages that prevent life giving resources unconditional love and forgiveness from flowing in your marriage
