twilight years of her life In their middle years are Percival a former city banker and drug addict who has come to seek refuge from his former life and Keith who with his lady Meadow lives on a bus on the outskirts of the village and yet all are or become in their own way dependant upon one another to gain passage through the business of life and alliances are formed which would seem unlikely unless one knew the story And so from the very mundane to the very significant Ordinary People attempts to chart the progress of these people their loves their ambitions and their own very individual ways of living out their lives There may be irony in the book title the reader will decide this for themselves but however this may be perceived the author has done his best to bring each character to life and to present them in their stark manifestation and in their collective manifestation of the human spirit
