The Vampire In Science Fiction Film And Literature:

The Vampire in Science Fiction Film and Literature Paul Meehan, 2014-07-09 Vampires have been a popular subject for writers since their inception in 19th century Gothic literature and later became popular with filmmakers Now the classical vampire is extinct and in its place are new vampires who embrace the hi tech worlds of science fiction This book is the first to examine the history of vampires in science fiction The first part considers the role of science and pseudo science from late Victorian to modern times in the creation of the vampire as well as the sensation fiction of J Sheridan Le Fanu Bram Stoker Arthur Conan Doyle and H G Wells The second part focuses on the history of the science fiction vampire in the cinema from the silent era to the present More than sixty films are discussed including films from such acclaimed directors as Roger Corman David Cronenberg Guillermo del Toro and Steven Spielberg among others *The Vampire in Folklore, History, Literature, Film and Television*, 2015-10-07 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi s Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented **Theology and Vampires** Madeline Potter, 2025-03-15 What can vampires teach us about God How can they reshape the way we think about religion and our relationship with the divine Through a thorough analysis of the relationship between theology and vampires Theology and Vampires provides a glimpse into the versatility of the vampire as a tool for theological enquiry Contributions to the volume assess vampires and their role in articulating theological thought bringing together some of the classical vampire tales of the 19th century with contemporary iterations of the figure Considering how vampires are used to ask theological questions across media from literature through to video games this volume paints a complex and comprehensive picture of the often overlooked manner in which vampires not only reflect but also actively shape theological modes of enquiry **Hell-Bent for Leather** Kerry Fine, 1965 **Return to Twin Peaks** Jeffrey Andrew Weinstock, Catherine Spooner, 2015-11-17 Return to Twin Peaks offers new critical considerations and approaches to the Twin Peaks series as well as reflections on its significance and legacy With texts that analyze the ways in which readers and viewers endow texts with meaning in light of historically situated and culturally shared emphases and interpretive strategies this volume showcases the ways in which new theoretical paradigms can reinvigorate and enrich understanding of what Twin Peaks was and what it has become since it went off the air in 1991 *Historical Dictionary of Children's Literature* Emer O'Sullivan, 2023-04-24 History is constantly evolving and the history of children s literature is no exception Since the original publication of Emer O Sullivan s Historical Dictionary of Children s Literature in 2010 much has happened in the field of children s literature New authors have come into print new books have

won awards and new ideas have entered the discourse within children's literature studies Historical Dictionary of Children's Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries This book will be an excellent resource for students scholars researchers and anyone interested in the field of children's literature studies **Science Fiction Film** Keith M. Johnston, 2013-05-09 Science Fiction Film develops a historical and cultural approach to the genre that moves beyond close readings of iconography and formal conventions It explores how this increasingly influential genre has been constructed from disparate elements into a hybrid genre Science Fiction Film goes beyond a textual exploration of these films to place them within a larger network of influences that includes studio politics and promotional discourses The book also challenges the perceived limits of the genre it includes a wide range of films from canonical SF such as *Le voyage dans la lune* *Star Wars* and *Blade Runner* to films that stretch and reshape the definition of the genre This expansion of generic focus offers an innovative approach for students and fans of science fiction alike **Film Study** Frank Manchel, 1990-10 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities *The Blood is the Life* Leonard G. Heldreth, Mary Pharr, 1999 The essays in this volume use a humanistic viewpoint to explore the evolution and significance of the vampire in literature from the Romantic era to the millennium **BOOK JACKET The Science Fiction Mythmakers** Jennifer Simkins, 2016-09-02 A literary genre that pervades 21st century popular culture science fiction creates mythologies that make statements about humanity's place in the universe and embody an intersection of science religion and philosophy This book considers the significance of this confluence through an examination of myths in the writings of H G Wells Arthur C Clarke Philip K Dick and Frank Herbert Presenting fresh insights into their works the author brings to light the tendency of science fiction narratives to reaffirm spiritual myths **Saving the World Through Science Fiction** Michael R. Page, 2017-02-28 One of the major figures in science fiction for more than sixty years James Gunn has been instrumental in making the genre one of the most vibrant and engaging areas of literary scholarship His genre history *Alternate Worlds* and his *The Road to Science Fiction* anthologies introduced countless readers to science fiction He founded the Gunn Center for the Study of Science Fiction in 1982 But Gunn has also been one of the genre's leading writers His classic novels *Star Bridge* with Jack Williamson *The Joy Makers* *The Immortals* and *The Listeners* helped shape the field Now in his nineties he remains a prominent voice His forthcoming novel is *Transformation* Drawing on materials from Gunn's archives and personal interviews with him this study is the first to examine the life career and writing of this science fiction grandmaster **The Vampire Goes to College** Lisa A. Nevárez, 2013-12-03 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning

environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire teaching the diverse vampire and engaging the student learner Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media The vampire allows instructors to explore timeless themes such as life and death love and passion immortality and monstrosity and Otherness *Gender and the Quest in British Science Fiction Television* Tom

Powers,2016-11-01 The subjects of this book constitute a significant cross section of BBC science fiction television With such characters as the Doctor an enigmatic time traveling alien Kerr Avon a problematic rebel leader Dave Lister a slovenly last surviving human and Captain Jack Harkness a complex omnisexual immortal these shows have both challenged and reinforced viewer expectations about the small screen masculine hero This book explores the construction of gendered heroic identity in the series from both production and fan perspectives The paradoxical relationships between the producers writers and fans of the four series are discussed Fan fiction criticism and videos are examined that both celebrate and criticize BBC science fiction heroes and villains

Italian Horror Film Directors Louis Paul,2015-06-08 There is no cinema with such effect as that of the hallucinatory Italian horror film From Riccardo Freda's *I Vampiri* in 1956 to *Il Cartaio* in 2004 this work recounts the origins of the genre celebrates at length ten of its auteurs and discusses the noteworthy films of many others associated with the genre The directors discussed in detail are Dario Argento Lamberto Bava Mario Bava Ruggero Deodato Lucio Fulci Umberto Lenzi Antonio Margheriti Aristide Massaccesi Bruno Mattei and Michele Soavi Each chapter includes a biography a detailed career account discussion of influences both literary and cinematic commentary on the films with plots and production details and an exhaustive filmography A second section contains short discussions and selected filmographies of other important horror directors The work concludes with a chapter on the future of Italian horror and an appendix of important horror films by directors other than the 50 profiled Stills posters and behind the scenes shots illustrate the book

Historical Dictionary of British Cinema Alan Burton,Steve Chibnall,2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of *Bridget Jones* while busily adding to franchises like *James Bond* and *Harry Potter* So this *Historical Dictionary of British Cinema* has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners

Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information [2009 Writer's Market Listings](#) Robert Brewer,2008-06-01 For 88 years Writer s Market has given fiction and nonfiction writers the information they need to sell their work from completely up to date listings to exclusive interviews with successful writers The 2009 edition provides all this and more with over 3 500 listings for book publishers magazines and literary agents in addition to a completely updated freelance rate chart In addition to the thousands of market listings you ll find up to date information on becoming a successful freelancer covering everything from writing query letters to launching a freelance business and more
