THE WHITE ROAD

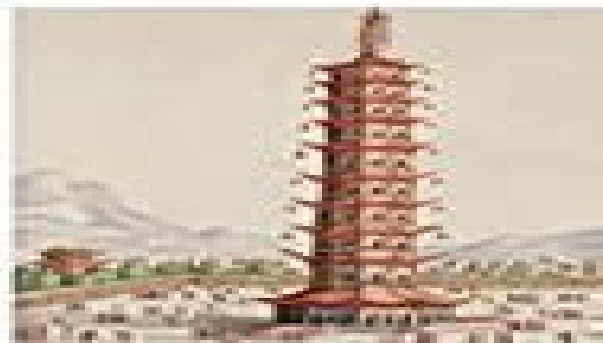

Journey into an Obsession

"The history of porcelain... is a constantly surprising, sometimes absolutely staggering, coming together of art, craft and commerce, politics and religion, national identity, larger-than-life characters and wild, sometimes ruinous obsession.... A terrific book." — LOS ANGELES TIMES

The White Road Journey Into An Obsession:

The White Road Edmund de Waal, 2015-11-10 Originally published Great Britain Chatto Windus 2015 **Monstrous Beauty: A Feminist Revision of Chinoiserie** Iris Moon, 2025-03-24 Monstrous Beauty presents a bold cross cultural history of porcelain told through a feminist lens Prized for its delicate quality and whiteness porcelain was first imported to Europe from China in the early modern period and gained lasting associations with Chinoiserie a style that encapsulated associations of mystery and enchantment with Asia This book probes the collective anxieties around gender race and sexuality lurking under the surface of this ornate style derided by some eighteenth century critics as monstrous and unnatural In interconnected essays Iris Moon unpacks Chinoiserie s language of curiosity and exoticism Here close looking at garnitures plates tea cups and saucers reveals how the desire to collect and possess porcelain created entrenched cultural myths of the Asian woman and how it later extended into such mediums as photography and film In addition sixteen readings by contemporary artists and scholars of works ranging from the sixteenth century to the present respond to this fraught history by asking how we can engage in meaningful dialogues about Chinoiserie today **Hip-Hop, Art, and Visual Culture** Jeffrey L. Broome, Lisa Munson, 2020-04-02 Visual art has been tied to hip hop culture since its emergence in the 1970s Commentary on these initial connections often emphasizes the importance of graffiti and fashion during hip hop s earliest days Forty years later hip hop music has grown into a billion dollar global industry and its influence on visual art and society has also expanded This book length printed edition of Arts collects essays by scholars who explore this evolving influence through their work in art education cultural theory and visual culture studies The topics covered by these authors include discussions on identity and cultural appropriation equity and access as represented in select works of art creativity and copyright in digital media and the use of fine art tropes within the sociocultural history of hip hop As a collected volume these essays make potentially important contributions to broadening the narrative on art education and hip hop beyond the topics of graffiti fashion and the use of cyphers in educational contexts **The Art of Colour** Kelly Grovier, 2023-04-27 Did you know that the ultramarine that shimmers at the centre of Vermeers Milkmaid connects that masterpiece with 6th century Zoroastrian paintings found on the walls of cave temples in Bamiyan Afghanistan Or that the surging waves that crest and curl in Hokusai s perilous Great Wave off Kanagawa owe their absorbing blue lustre to an alchemist who was born in Frankenstein s Castle in 1673 And were the Pre Raphaelites really obsessed with a murky brown hue derived from the pulverized remains of ancient mummies Spoiler they were Invented by prehistoric cave dwellers and medieval conjurers cunning conmen and savvy scientists the colours of art tell a riveting tale all their own Over ten scintillating chapters acclaimed author Kelly Grovier helps bring that tale vividly to life revealing the astonishing backstories of the pigments that define the greatest works in the history of art Interwoven between these chapters is a series of features focusing on key moments in the evolution of colour theory from the revelations of the Enlightenment to the radicalism of the Bauhaus while

reproductions of carefully selected artworks help illuminate the narratives twists and turns The history of colour is an epic saga of human ingenuity and insatiable desire Read this book and you will never look at a work of art in quite the same way
