## **The Wisdom Of Stability Rooting Faith In A Mobile Culture:**

Wisdom of Stability ,      **Vulnerable Faith** Jamie Arpin-Ricci, 2014-04-01 Drawing from Scripture church history and the author's own ministry experiences among those who live on the margins Vulnerable Faith bridges the often enormous gap between the conceptual ideal of faithfulness we talk about in church and a genuine practical radical obedience to Jesus This book is an invitation to radical faithfulness found in willing vulnerability Jamie Arpin Ricci guides readers through a process of transformation which exposes our pretense and promises new life through and beyond the cross of Christ Sister Helen Prejean CSJ author of Dead Man Walking The urgency of the invitation to each of us in Vulnerable Faith cannot be ignored In a world of terror and hatred of protection and retaliation it is a bold and important reminder to Christians of the radical nature of our witness as followers of Jesus He is the Word made flesh the vulnerable incarnation of God's love for each and every one of us Jean Vanier from the foreword In Vulnerable Faith the life of St Patrick meets the spirituality of the Twelve Steps It is a surprising potent and challenging combination one that Jamie Arpin Ricci uses to profound effect in setting before us a vision of Christian community characterized by loving vulnerability sacrificial generosity and a radical welcome of the stranger into the Shalom of God's Kingdom An inspiring and life changing book Richard Beck author Unclean and Slavery of Death If you are intrigued by the life of early Celtic leader St Patrick and if you see a need for transformation in your own life Vulnerable Faith is your invitation to take some time to explore what greater faithfulness in the people of God might look like Jamie juxtaposes the life of St Patrick with lessons learned from AA's Twelve Steps in a way that is refreshing and challenging This is not for the faint hearted but for those who want to take steps deeper into the love of God I loved it was inspired by it and recommend it to all who take their faith seriously Christine Sine author of Return to Our Senses Using an array of examples that is both wide and deep Jamie Arpin Ricci draws us into a very deep place This place of questions trembling fear hope faith is at the heart of our vulnerability It is in this very place that we most intimately find God and one another Fran Rossi Szpylczyń Catholic blogger contributed to Homilists for the Homeless Jamie is an expert storyteller who with compassion and imagination seamlessly weaves together the old and the new the saint and the sinner the practical wisdom of the 12 Steps with the timeless wisdom of the Scriptures But his greatest feat in Vulnerable Faith is showing how transformative spirituality can be woven into the context of restorative community where it belongs Using the life of Saint Patrick as his guide Jamie paves a way for all of us on our own and in community to approach a vulnerability worthy of our redemption Vulnerable Faith is a primer on authentic community a personal devotional book and an insightful look into the human heart all in one Amy Hollingsworth author of The Simple Faith of Mister Rogers and Runaway Radical Jamie Arpin Ricci knows only too well that spiritual growth and transformation are the result of God's grace In Vulnerable Faith he masterfully shows how the 12 Steps help facilitate an openness to God with the life of St Patrick as our guiding example I heartily recommend this book to anyone interested in teaching that has stood the test of time Albert Haase O F M author of

Catching Fire Becoming Flame A Guide for Spiritual Transformation In Vulnerable Faith Jamie Arpin Ricci has found a unique way to blend the life struggles of St Patrick to help us restore our own dilemma of neglected discipleship Referencing the 12 Steps model the reality of Patrick s life and the need for Christ in our own lives slowly unfolds into an understanding of how Christ fulfills shalom in all the areas of our lives We all need this book Randy Woodley author of Shalom and the Community of Creation An Indigenous Vision Vulnerable Faith is a wonderfully creative exploration of missional life that draws from the story of St Patrick as well as contemporary culture The artful retelling of the story of St Patrick is done with imagination and care Each chapter s installment of the story of the beloved saint is followed by theological reflection that probes and prods the reader toward holiness This book is a fine resource for clergy congregations and missional communities Elaine Heath author We Were the Least of These In this age of self reliance and faux invincibility the spiritual discipline of vulnerability is a rare thing indeed Gently and yet provocatively Jamie Arpin Ricci uses the life and teaching of St Patrick to show us that it is only through accepting our common weakness our brokenness and our unequivocal need for grace that we can find the opportunity for fullness of life and true freedom Michael Frost author of Incarnate With creativity skill vulnerability and insight Jamie Arpin Ricci reintroduces readers to the risk of Christian faith the hope of prophetic witness and the true reward of costly grace for our time St Patrick and the tenets of the twelve step program of Alcoholics Anonymous serve as new and inspiring companions as Arpin Ricci guides us along the path toward renewing our commitment to be missionary disciples of Christ Daniel P Horan OFM author The Franciscan Heart of Thomas Merton

**Radical Hospitality: Benedict's Way of Love** Lonni Collins Pratt,2011-06-01 For readers of The Benedict Option here is another invaluable collection of Benedictine wisdom to live by Today s culture is increasingly hostile and suspicious toward anyone who appears to be different especially when tragedy strikes Our instinct is to bolt our doors and protect the ones we love But deep within the heart of Benedictine spirituality lies a remedy to hatred fear and suspicion hospitality At once deeply comforting and sharply challenging true Benedictine hospitality requires that we welcome the stranger not only into our homes but into our hearts With warmth and humor drawing from the monastic tradition and sharing personal anecdotes from their own lives Pratt and Homan encourage us to embrace not only the literal stranger but the stranger within and the stranger in those we love *The Intentional Christian Community Handbook* David Janzen,2012-11-01 This is a book that we ve needed for a long long time This is a book for people who long for community and for people who ve found it for young seekers and for old radicals Like a farmer s almanac or a good cookbook it s a guide that doesn t tell you what to do but rather gives you the resources you need to find your way together with friends in the place where you are We couldn t be more grateful to have a book like this And we couldn t be happier to share it with you Shane Claiborne and Jonathan Wilson Hartgrove In the 21st century a new generation of Spirit energized people are searching for a new yet ancient way of life together David Janzen a friend of the New Monasticism movement with four decades of personal communal experience has visited scores of communities both old

and new The Intentional Christian Community Handbook shares his wisdom as well as the experience of intentional Christian communities across North America over the last half century

**Becoming the Gospel** Michael J. Gorman, 2015-05-06 The first detailed exegetical treatment of Paul's letters from the emerging discipline of missional hermeneutics Michael Gorman's *Becoming the Gospel* argues that Paul's letters invite Christian communities both then and now to not merely believe the gospel but to become the gospel and in doing so to participate in the life and mission of God Showing that Pauline churches were active public participants in and witnesses to the gospel Gorman reveals the missional significance of various themes in Paul's letters He also identifies select contemporary examples of mission in the spirit of Paul inviting all Christians to practice Paul inspired imagination in their own contexts

*A Faithful Public-Prophetic Witness* Barry K. Morris, 2020-03-20 This book hails from decades of challenging trial and error work abundant reading and an enduring obligation to ministers activists and unsung lay heroes whose legacies matter As there is little that actually addresses the elusive meanings if not the dangers inherent in pursuing alleged spoils of success it is kairos time Seemingly scarce resources and competition to make and maintain ministries in the city challenge those of us in the field or on the sidelines to speak write and communicate clearly and convincingly not only for ourselves and our people past and present but for those who come along soon to receive the baton or wear the mantle Concretely narrated with unique case studies a cast of dozens contribute their earthy earnest testimonies and are at long last energetically affirmed Specifically this work proffers constructive attention to the critical cautions concerning subtle temptations to succeed including commodification cooptation communalism clientelism and cowardice and not bailing on fierce charity justice tensions with benevolence protectively dominant Narrative analysis and biography as theology social ethics biblical theology and recent church history give apt attention to how a compelling case is possible for success if justice is practiced given a hopeful realism and perspective of prophetic eschatology

*Oriented to Faith* Tim Otto, 2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In *Oriented to Faith* Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ
