Chakras And Their Ruling Planets, A Guide to Balancing Your Chakras and Discovering Your Full Potential Howla Jardali, 2021-02-05 THE SEVEN CHAKRAS AND THEIR RULING PLANETS is an empowering resource for all who seek to know the mystical within. The book is a guide that addresses each Chakra and its ruling planet explaining how these relationships affect and inform our lives. Each Chakra is described in its healthy state and in its imbalanced state. However, the reader is offered practical tools, advice, and exercises for balancing, healing, and activating each Chakra, as well as a thorough explanation of each planet's influence over the qualities and challenges of our personality and life. Howla Jardali is a planetary astrologer with a passion for helping clients see life as a creative adventure of self-discovery. She combines knowledge of astrology, alchemy, archetypal psychology, yoga, and ancient healing traditions into a magical contemporary blend that applies perfectly to today's busy, often disconnected lifestyles. Howla hopes her books will help readers discover their innate gifts and come to realize that they are already a masterpiece of wisdom here for a purpose. Jardali's strength lies in her ability to offer down-to-earth tools and exercises that can be easily applied in our busy lives. Her style, although poetic at times, is grounded and concise. Her book deals with metaphysical topics in a pragmatic way with kindness, understanding, and humour. Reconnect with yourself, harness your planetary power, and enjoy the journey. **Chakras** Rachel Rebecca Wisdom, 2017-04-12 Chakras: The Full Collection of Secrets, Exercises, and Techniques is the ultimate chakra book for the dedicated practitioner. The chakras are powerful tools for balancing your health and happiness. These seven power centers, called the root, sacral, solar plexus, heart, throat, brow, and crown chakras, hold the energies of the body and help you connect with yourself and the world. They must be activated and open in order for you to live a happy, healthy life. Once you have begun to learn how to activate your chakras through yoga and meditation, it's easy to become stagnant. It can be difficult to keep growing in your quest for higher consciousness. Sometimes the same yoga poses and meditations can lose their meaning without fresh ideas and concepts to energize them. This book is the answer to those problems. It is full of tips that will help you continue to grow in your practice of activating the chakras and achieving inner bliss. The book features a chapter that helps you to troubleshoot any problems that you may be having, allowing you to identify the chakra that is the source of the issues and to better direct your practice towards opening that chakra. It also includes three all-new yoga flow series focusing on the lower chakras (root, sacral, and solar plexus), the middle chakras (heart and throat), and the higher chakras (brow and crown). The book's most powerful chapter includes guided meditations for each of the seven chakras, including a list of mantras, affirmations, and prayers that can be used to help each chakra's energy flow. Above all, the book is a practical guide to keeping the chakras in your daily life. One whole chapter offers a variety of tips for keeping your chakras activated as you go about your day, even on busy days when you do not have time to do yoga and meditation. It features various uses for chakra opening: music, aromatics, and gemstones. Finally, the book includes an entire chapter full of recipes to activate each chakra. Rather than simply activating the chakras from the outside, in these recipes, you are allowed to activate the chakras from the inside.

out All of the recipes are delicious and can be combined to create balanced meals If you have already begun to experience the power of the chakras through yoga and meditation and are searching for ways to deepen your practice this is the book for you Although it holds lots of practical information it does not repeat the contents of previous books about the chakras including books one and two of this series Rather this book is for those who wish to journey further on the quest for higher consciousness retaining their curiosity about the world It is for those who are never satisfied with their results but who continue to strive to master their spiritual energy with strength and awareness always moving forward If this is your goal Chakras The Full Collection of Secrets Exercises and Techniques is the book for you *Chakra Mastery* Emily K
