Books Out Loud, 2004 **1_3 John and Revelation; New Testament Commentary** Christopher Lambe, 2021-02-16 Unlike any other commentary on the New Testament Chris digs into ancient religious culture throughout the known world at the time John wrote his epistles and book on Revelation As the church started to accept and adopt false teaching in their day they began to worship idols in place of God like the Jews when they were sent to Babylon Both Old and New Testament Jewish cultures adopted the same images from the surrounding nations and began to worship pagan gods No matter Jew or Gentile John's teachings were all understood In today's world though it is different many are not taught after the manner of ancient culture and when one reads the Bible either the Old and New Testaments that references any form of symbolism as figurative language let alone Revelation it is foreign with descriptions of strange beasts candlesticks trumpets vials of wrath harps etc making no modern sense whatsoever However when looked upon with the view from ancient culture religion and myths about the heavens one can better understand the context John taught to the early church The way mainstream interprets the scriptures today has brought about much confusion
