Tribes Seth Godin, 2008 According to Godin Tribes are groups of people aligned around an idea connected to a leader and to each other Tribes make our world work and always have The new opportunity is that it's easier than ever to find organize and lead a tribe The Web has enabled an explosion of all kinds of tribes and created shortage of people to lead them This is the growth industry of our time Tribes the book will help you understand exactly what's at stake and why you can and should lead a tribe of your own **SUMMARY - Tribes: We Need You To Lead Us By Seth Godin** Shortcut Edition, 2021-05-31

Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will discover what leadership is and how to use it to manage a tribe and bring about change You will also discover that leaders and their tribe represent the future in a changing society that one is not born a leader one becomes one by fighting one's fear that the tribe takes precedence over the leader who must be disinterested that you owe it to yourself to be a leader how to create and manage your tribe First of all what is a tribe It is a group whose members are connected and share a common vision This group is led by a leader also connected to his tribe who initiates the vision Leader and tribe therefore appear not to be able to live without each other If the Internet is not at all what created the tribes it has nevertheless allowed them to relocate It is also an unprecedented tool for communicating with and within the tribe You must become a leader because we need you and your tribe to make a difference Today the question is no longer whether you can do it because everything is available to you The question then is are you going to choose to become a leader now Buy now the summary of this book for the modest price of a cup of coffee **A Path Called Compelling** K. Bradley Watson, 2023-04-12

While hiking in 2010 an ill advised off trail climb left debut author K Bradley Watson dangling precariously over the edge of a cliff Narrowly escaping disaster Watson then found himself lost in the woods bushwhacking for hours before he found his way out of a dense canyon forest The haphazard hiking moment became an epiphany for him underscoring the importance of following trails As in hiking so it is in life and faith to find our way we need the direction of a path to guide us In *A Path Called Compelling* Watson reimagines the Christian faith as the Jesus Path where three key events from Jesus's life birth baptism temptations are revealed to be more than events to believe in but a path meant to be entered travelled and lived Acting as an expedition guide raconteur and pastor Watson weaves masterful storytelling with thoughtful reflections on Scripture that will have readers chuckling to themselves in one moment while readying themselves to travel the Jesus Path in the next Fresh and urgent the book invites readers to rediscover faith as they walk and explore *A Path Called Compelling*
