often find themselves in awkward positions when it comes to having conversations with their family. Once children become little people they develop likes and dislikes and discover their own interests all of which may often be at odds with the grandparents. Even the most innocent attempt at chatting can produce such conversation stoppers as "I dunno whatever" or "who cares." Similarly when a grandparent tries to initiate a talk to his or her own children about grandkids behavior or activities it is usually met with a stony disapproving silence or a curt "mind your own business." And when sets of grandparents get together the opportunities to criticize each other for spoiling or favoring one of the grandchildren or the parent whom your child married can become a prescription for disaster. Fortunately for the growing population of intergenerational family members help is here in this very practical handbook for seniors who babysit, visit or vacation with or otherwise spend time with youngsters. Among the topics included are creating safe and friendly environments in which to initiate a chat, selecting age appropriate conversation openers, avoiding sensitive issues and developing listening as well as speaking skills. Subjects for conversations include family history, favorite activities, uncritical advice and hopes and dreams for the future. Although aimed at grandparents, this latest volume in the author's Conversation Starters series is an essential guide for parents and children as well.

Run Like a Girl 365 Days a Year Mina Samuels, 2019-07-09. No matter how hard it is to get out the door it's on the road that we meet our strengths and weaknesses, have the space to contemplate our hopes and dreams and ultimately find what makes us happy. Not every workout is an epiphany. Instead, each time out on the road, no matter how much of a battle it was to get there, is an exercise in getting to know ourselves a little bit better. It's on that road that we learn our strengths and weaknesses, ponder our hopes and dreams and ultimately discover what makes us happy. For women who draw even a portion of their strength from being active, Run Like a Girl 365 Days a Year serves as a Book of Days. It's practical, inspirational and personal, with a dash of the existential and neurotic. It's a fresh take on the popular thought-a-day books geared toward women athletes. Containing 365 entries for a full year of running inspiration, Run like a Girl 365 Days a Year revels in the joys we discover as we greet our athletic selves each new day and confront the obstacles thrown in our way by the world, by our bodies and most importantly by our minds. Some of the topics include balance, body image, the battle of the sexes, sisterhood and aging. Light-hearted, honest and authentic, Run Like a Girl 365 Days a Year is an inspiring daily reminder of every woman's strength and potential.
