So when she hears a second woman has been stolen, she is determined to do something about it, starting with investigating the group of men working the pipeline construction just north of their homes. As Quill closes in on the truth about the missing women, someone else disappears. The Sultan's Seal: A Novel (Kamil Pasha Novels) Jenny White, 2007-02-17 The body of a young Englishwoman washes up in Istanbul wearing a pendant inscribed with the seal of the deposed sultan. The death resembles the unsolved murder of another Englishwoman ten years before. A magistrate in the new secular courts, Kamil Pasha, sets out to find the killer, but his dispassionate belief in science and modernity is shaken by betrayal and widening danger. In a mystical voice, a young Muslim woman recounts her own relationship with one of the dead women and with the suspected killer. Were these political murders involving the palace or crimes of personal passion? Rich in sensuous detail, this novel brilliantly captures the political and social upheavals of the waning Ottoman Empire and the contradictory desires of the human soul.

Clan Novel Tremere Eric Griffin, 2019-04-23 The Vampire the Masquerade Clan Novel Saga is a thirteen-volume masterpiece presenting the war between the established Camarilla leadership and the growing power of the brutal Sabbat on the East Coast of the United States. Each novel is told from the perspective of one of the thirteen clans, intertwining with the others and filling in missing pieces artfully as we follow battle after battle, intrigue after intrigue, and the appearance of a strange artifact that falls into the hands of a solitary Toreador sculptor. *Clan Novel Tremere* is the twelfth novel in the series. Magic, manipulation, murder. With one foot firmly planted in the mythic and the other rooted in the unforgiving streets of New York City, Aisling Sturbridge, Regent of the besieged Chantry of the Five Boroughs, serves as leader, teacher, and guardian to the novices entrusted to her care. But if holding the front line against the Sabbat were not challenge enough, Sturbridge must struggle to unravel a murder in the very heart of her Chantry, to upstage the manipulation of rival Tremere powerbrokers, and to survive the escalating and unwelcome attention from the motherhouse in Vienna. All of these struggles, however, may prove to be in vain. If Sturbridge cannot find some answer to her own silent accusers, the faces of the Children down the Well, this series is a monumental 13-novel exploration of the forbidden world of the Kindred. What began in *Clan Novel Toreador* continues here, and it's ending.
