The Thesaurus Of Slang:

The Thesaurus of Slang Esther Lewin, Albert E. Lewin, 1997 Includes jargon sports slang and ethnic and regional expressions **Thesaurus of American Slang** Robert L. Chapman, 1989 Presents America's contemporary and historic slang words and phrases with brief definitions and usage examples The American Thesaurus of Slang, with Supplement, a Complete Reference Book of Colloquial Speech, by Lester V. Berrey and Melvin Van Den Bark. [Foreword by Louise Pound.]. Melvin Van Den Bark, 1947 **American Slang Dictionary and Thesaurus** Mary Elizabeth, 2009-09-01 This unique reference volume is two books in one a dictionary of slang and a slang thesaurus with both sections treating the same words and phrases Entries are arranged alphabetically in the dictionary and thematically in the thesaurus and include definition pronunciation part of speech and origins usage information and usage alerts when applicable in both the thesaurus and the dictionary All entry words are visually coded to help you distinguish slang that is potentially objectionable from other slang and all synonyms are coded for the level of formality formal informal no register and separated by part of speech This gives you more information about the potential effects of your word choice on your audience so you have a much better chance than with a regular thesaurus of picking the right word for your particular context the first time Graphics and brief articles are added to show you slang under the hood the patterns and features that characterize slang usage With this book you'll be able to find out how the screaming meemies got their name why someone might be offended if you use the apparently inoffensive word crumbs which words that mean to kill also mean to cause riotous laughter and easily distinguish whether someone is an old fart a son of a bitch or just a silly ass Here is a handy reference book for students word buffs and professional writers a title that merits a place in every reference library Printed throughout in two colors **The Thesaurus of Slang** Esther Lewin, 1988 **The American Thesaurus of Slang** Lester V.
