The Thing Between You and Me Hans-Jörg Pochmann, 2022-08-22 This text might be rendered on a screen It could appear on paper as well I have written it using a computer As you are reading this text some thing is functioning as an interface Although I do not know exactly what this thing is I know for certain that there is some thing here slipping your mind as you read this text This knowledge and this slipping away is the subject of this book This research project questioned the sustaining support of digital objects it aimed to challenge the habitualisation towards digital devices the forgetting of the physical interface that leads to the supposition of digital immateriality By handling computers as absurd things that escape language the author sought to position himself among these strange and aloof digital entities and their effects *Between You And Me* Marek Hnila, 2023-12-06 Award winning novel One of the best modern Czech novels Annotation The autobiographical hero of the novel embarks on a promising career in the not so moral world of door to door sales Success seems easy and tempting but halfway through becoming the perfect scumbag the young man finds he has no stomach for this world and begins to look for another life He starts working as an autopsy photographer The novel is both a kind of personal literary confession and a portrait of personal search and maturation **Between You and Me** Jennifer Gracen, 2017-11-28 A down to earth heiress in the market for a baby daddy gets more than she bargained for in this Colorado romance that hits the emotional jackpot Publishers Weekly starred review As the only daughter of the wealthy Harrison clan Tess Harrison has everything except the baby she longs for With no husband in sight she escapes to her family's retreat in Aspen Colorado with visions of sperm donors dancing in her head When ruggedly handsome ski house manager Logan Carter accepts the job in exchange for her playing his girlfriend Tess is breathless to begin the charade After all what could go wrong The brokenhearted heiress knows better than to fall in love Tess would be Logan's dream girl if his dark past had left him with any dreams After a painful divorce in New Orleans all he wants is to satisfy his mother's dying wish to see him happily paired off and give lovely Tess the baby she longs for But when he and Tess opt to make a baby the old fashioned way their playful charade gets seriously real in ways neither of them can deny Between You And Me Jane Blackwood, 2014-11-19 Unforgettable It seems like forever since Meghan Rose stormed off Will Scott's yacht but he still stows her photo in his berth Of course nobody knows this and Meg should have known better than to hit him with The Ultimatum Sure their four years sailing together were the best Will ever had but that didn't mean he was ready to be tied down not in the marital sense anyway Problem is he needs her Maybe he always has That's What You Are Of all the insufferable arrogant obnoxious Meg could go on but her staid fianc probably wouldn't cancel his next appointment to hear the unabridged list of adjectives Will Scott brings to mind Tack on strong stubborn and hot and here In Meg's office Sporting that same damned grin she's always been tempted to wipe off his face with her mouth Now he wants her to leave her landlocked life for two weeks yacht racing as if she'd jump at the chance to help the very guy who shattered her heart Well why not Surely she's immune by now
