British railway enthusiasm Ian Carter,2017-10-03 Now available in paperback this is the first academic book to study railway enthusiasts in Britain Far from a trivial topic the post war train spotting craze swept most boys and some girls into a passion for railways and for many ignited a lifetime s interest *British railway enthusiasm* traces this post war cohort and those which followed as they invigorated different sectors in the world of railway enthusiasm train spotting railway modelling collecting railway relics and then in response to the demise of main line steam traction Britain s now huge preserved railway industry Today this industry finds itself riven by tensions between preserving a loved past which ever fewer people can remember and earning money from tourist visitors The widespread and enduring significance of railway enthusiasm will ensure that this groundbreaking text remains a key work in transport studies and will appeal to enthusiasts as much as to students and scholars of transport and cultural history

Valuing People with a Learning Disability Steve Mee,2012 Most health and social care service providers claim to OCyvalueOCO those with a learning disability Yet there can sometimes be a huge gulf between stated intentions and what happens in everyday practice In a few cases that have recently hit the headlines there have even been allegations of systematic abuse This timely book asks three vital questions OCo What do we mean by valuing OCo How does the process of valuing work OCo What needs to happen to ensure that we value people with a learning disability Too often practitioners tend to say OCyitOCOs all right in theory but not in the real worldOCO In thisbook Dr Steve Mee draws on his experience as a practitioner and lecturer on a learning disability nursing course in which he has successfully used stories to bridge the gap between academic theory and everyday practice Each chapter introduces the reader to a particular area of theory and illustrates it with uniquely powerful memorable stories from practice as well as examples from recent news and historic accounts Reading the book will give practitioners new insight empathy and sensitivity that will make a lasting difference to their practice It invites practitioners to truly reflect on whether they can claim to value the people they support

REVIEWEROCOS COMMENT OC I feel this is a very important piece of work in an area that is often misunderstood From reading the authors work I have questioned my own approach to OCyValuing PeopleOCO and found myself lacking in some areas even though I was of the opinion that I did truly value people with a learning difficulty OCO

British Children's Fiction in the Second World War Owen Dudley Edwards,2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental

controls were often relaxed if not absent and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children's radio comics films and book related play activity in relation to value systems the child's perspective versus the adult's perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children's literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to inhabit

The Life of LTC Rolt Victoria Owens, 2025-11-04 Explores the life of a young engineer turned prolific writer chronicling Britain's industrial heritage through adversity and literary success In 1926 Tom Rolt who was then sixteen years old abandoned his public school education Having taken a job with a small firm of agricultural engineers he realized that he had found his life's calling But the way ahead was neither smooth nor easy Having secured a premium apprenticeship the firm which took him on foundered and although he eventually qualified as a mechanical engineer the 1930s depression made it almost impossible to find regular employment Nothing daunted with the encouragement of his mysterious companion Cara he turned to writing His literary career flourished alongside his association with the Vintage Sports Car Club the Inland Waterways Association and the Talylyn Railway Between his Inland Waterways Association and Talylyn phases Angela his first wife left him to join Billy Smart's Circus and Sonia an actress turned boatwoman would become his second wife Over the course of his life he produced over thirty books their subject matters ranging from canals and railways to engineering biography company histories a collection of accomplished ghost stories and a topographical survey of Worcestershire He also wrote polemics about the plight of the craftsman in a world which relied increasingly upon mass production In this book the first full length biography of Tom Rolt and a complement to his auto biographical Landscape trilogy Victoria Owens draws upon his surviving letters and unpublished manuscripts to tell the story of the engineer turned writer who made Britain's industrial past the stuff of enduring literature

Shop Window, Flagship, Common Ground Judith A. Muskett, 2019-11-30 How are cathedrals and churches understood Are they shop windows through which to gaze at the riches on offer within the Christian life Are they flagships of the Spirit Are they both sacred spaces and community utilities Shop window flagship common ground views the rich ministry and innovative mission of cathedrals through the novel lens of metaphor and it offers comparative insights on cathedrals and cathedral like churches Located in the emerging international field of cathedral studies the book explores the usage and inferences of a range of

metaphors including shop windows of the Church of England flagships of the Spirit beacons of the Christian faith magnets and sacred space common ground This volume also shows how such metaphors can stimulate different types of research about the function of cathedral and church buildings With a Foreword by Professor Grace Davie the book suggests that cathedrals and cathedral like churches may play a role within vicarious religion theory It will provide a thought provoking critique for practitioners and a valuable contribution for scholars of cathedral studies congregational studies and ecclesiology
