The Tin Whistle Only Edition Penny And Tin Whistle:

Understanding the Tin Whistle Stuart Esson, 2014-12-29 Unique among books on the whistle and Celtic music this book takes the role of a personal tutor It explains in detail the peculiarities of the instrument the ancient modal scales the Irish tunes are based on and offers a results oriented program for quickly developing ability As well it offers a practical method for developing breathing skills something few books discuss But what makes this book truly unique is the discussion of mnemonic techniques and analytical listening skills which would make it an excellent resource for both parents and teachers The author explains a simple straightforward method of internalizing the old dance tunes of the session repertoire based on understanding the music's structure and the use of mnemonic cues The scope of Mr Esson's book makes it relevant to a much wider audience than the title would suggest

The Tin Whistle Tune Book William E. White, 1980 The airs in this collection are appropriate for playing on the tin whistle or penny whistle fife flute or violin They are typical of those enjoyed during the last quarter of the eighteenth century
