The Twilight Of Equality Neoliberalism Cultural Politics And The Attack On Democracy:

The Twilight of Equality? Lisa Duggan, 2003 In a series of political case studies Duggan reveals how neoliberal goals have been pursued through racial codes populist campaigns culture wars and sex panics demonstrating conclusively that progressive arguments that separate identity politics and economic policy cultural politics and affairs of state can only fail

The Seduction of Youth Javier Samper Vendrell, 2020-04-02 A simple man from the provinces Friedrich Radszuweit merged popular culture consumerism and politics as the leader of the League for Human Rights Germany's first mass homosexual organization *The Seduction of Youth* is the first study to focus on the League and its leader using his position at the centre of the Weimar era gay rights movement to tease out the diverging political strategies and contradictory tactics that distinguished the movement By examining news articles and opinion pieces as well as literary texts and photographs in the League's numerous pulp magazines for homosexuals Javier Samper Vendrell reconstructs forgotten aspects of the history of same sex desire and subjectivity While recognizing the possibilities of liberal rights for sexual freedom during the Weimar Republic the League's respectability politics failed in part because Radszuweit's own publications contributed to the idea that homosexual men were considered a threat to youth doing little to change the views of the many people who believed in homosexual seduction a homophobic trope that endured well into the twentieth century *Sex Cultures* Amin

Ghaziani, 2017-04-03 Why is it so hard to talk about sex and sexuality In this crisp and compelling book Amin Ghaziani provides a pithy introduction to the field of sexuality studies through a distinctively cultural lens Rather than focusing on sex acts which make us feel flustered and blind us to a bigger picture Ghaziani crafts a conversation about sex cultures that zooms in on the diverse contexts that give meaning to our sexual pursuits and practices Unlike sex which is a biological expression the word sexuality highlights how the materiality of the body acquires cultural meaning as it encounters other bodies institutions regulations symbols societal norms values and worldviews Think of it this way sex culture sexuality *Sex Cultures* offers an introduction to sexuality unlike any other Its case study and debate driven approach animated by examples from across the globe and across disciplines upends stubborn assumptions that pit sex against society The elegance of the arguments makes this book a pleasurable read for beginners and experts alike **Same-Sex Relationships, Law and Social Change**

Frances Hamilton, Guido Noto La Diega, 2020-01-15 This edited collection provides a forum for rigorous analysis of the necessity for both legal and social change with regard to regulation of same sex relationships and rainbow families the status of civil partnership as a concept and the lived reality of equality for LGBTQ persons Twenty eight jurisdictions worldwide have now legalised same sex marriage and many others some level of civil partnership In contrast other jurisdictions refuse to recognise or even criminalise same sex relationships At a Council of Europe level there is no requirement for contracting states to legalise same sex marriage Whilst the Court of Justice of the European Union now requires contracting states to recognise same sex marriages for the purpose of free movement and residency rights unlike

the US Supreme Court it does not require EU Member States to legalise same sex marriage Law and Sociology scholars from five key jurisdictions England and Wales Italy Australia Canada and the Republic of Ireland examine the role of the Council of Europe European Union and further international regimes A balanced approach between the competing views of critically analytical rights based theorists and queer and feminist theorists interrogates the current international consensus in this fast moving area The incrementalist theory whilst offering a methodology for future advances continues to be critiqued All contributions from differing perspectives expose that even for those jurisdictions who have legalised same sex marriage still further and continuous work needs to be done The book will be of interest to students and scholars in the field of human rights family and marriage law and gender studies *Contemporary British Queer Performance* S. Greer, 2016-02-02 This book examines queer performance in Britain since the early 1990s arguing for the significance of emerging collaborative modes of practice Using queer theory and the history of early lesbian and gay theatre to examine claims to representation among other things it interrogates the relationships through which recent works have been presented **A Political Companion to James Baldwin** Susan J. McWilliams, 2017-11-15 Uniformly excellent essays on the work of the renowned author and his extraordinary relevance in the present moment Choice In seminal works such as *Go Tell It on the Mountain* *Notes of a Native Son* and *The Fire Next Time* acclaimed author and social critic James Baldwin expresses his profound belief that writers have the power to transform society engage the public and inspire and channel conversation to achieve lasting change While Baldwin is best known for his writings on racial consciousness and injustice he is also one of the country's most eloquent theorists of democratic life and the national psyche In this book prominent scholars assess the prolific author's relevance to present day political challenges Together they address Baldwin as a democratic theorist activist and citizen examining his writings on the civil rights movement religion homosexuality and women's rights They investigate the ways in which his work speaks to and galvanizes a collective American polity and explore his views on the political implications of individual experience in relation to race and gender This volume not only considers Baldwin's works within their own historical context but also applies the author's insights to recent events such as the Obama presidency and the Black Lives Matter movement emphasizing his faith in the connections between the past and present These incisive essays will encourage a new reading of Baldwin that celebrates his significant contributions to political and democratic theory **In the Spirit of Critique** Andrew J. Douglas, 2013-12-01 Offers a new perspective on the political significance of the Hegelian dialectical legacy Focusing on the critical postures of Hegel Marx and a series of twentieth century intellectuals including Sartre Adorno and C L R James this book explores what dialectical thinking entails and how such thinking might speak to the lived realities of the contemporary political moment What is revealed is not a formal method or a grand philosophical system but rather a reflective energy or disposition a dialectical spirit of critique that draws normative sustenance from an emancipatory moral vision but that remains attuned principally to conflict and tension and to the tragic uncertainties of

political life In light of the unique challenges of the late modern age as theorists and citizens struggle to sustain an active and coherent critical agenda In the Spirit of Critique invites serious reconsideration of a rich and elusive intellectual tradition

The SAGE Handbook of Feminist Theory Mary Evans,Clare Hemmings,Marsha Henry,Hazel Johnstone,Sumi Madhok,Ania Plomien,Sadie Wearing,2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences

Philosophical Perspectives on Contemporary Ireland Clara Fischer,Áine Mahon,2019-11-25 This is the first book to bring a philosophical lens to issues of socio political and cultural importance in twenty first century Ireland While the social political and economic landscape of contemporary Ireland has inspired extensive scholarly debate both within and well beyond the field of Irish Studies there is a distinct lack of philosophical voices in these discussions The aim of this volume is to enrich the fields of Philosophy and Irish Studies by encouraging a manifestly philosophical exploration of contemporary issues and concerns The essays in this volume collectively address diverse philosophical questions on contemporary Ireland by exploring a variety of themes including diaspora exile return women s bodies and autonomy historic injustices and national healing remembering and commemoration institutionalization and containment colonialism and Ireland as home conflict and violence Northern Ireland and the peace process nationalism patriotism and masculinities ethnicity immigration and identity and translation art and culture Philosophical Perspectives on Contemporary Ireland marks a significant contribution to contemporary theorizations of Ireland by incorporating both Irish and transatlantic perspectives It will appeal to a broad audience of scholars and advanced students working in philosophy Irish Studies feminist theory history legal studies and literary theory Beyond academia it will also engage those interested in contemporary Ireland from policy and civil society perspectives

Intersectional Socialism Charles Masquelier,2023-09-12 In the context of sustained economic and environmental crises marked by extreme inequalities of wealth rising xenophobia

racism and precarity never has the need for a radical change of system been so pressing This book is an invitation to think the world otherwise The author breathes new life into socialist thought through the deployment of an intersectional lens bringing diverse struggles for emancipation both within and outside the Global North into dialogue with one another In doing so he offers the kind of bold and holistic thinking the present situation calls for *German Cinema in the Age of Neoliberalism* Hester Baer,2025-10-01 This book presents a new history of German film from 1980 2010 a period that witnessed rapid transformations including intensified globalization a restructured world economy geopolitical realignment and technological change all of which have affected cinema in fundamental ways Rethinking the conventional periodization of German film history Baer posits 1980 rather than 1989 as a crucial turning point for German cinema's embrace of a new market orientation and move away from the state sponsored film culture that characterized both DEFA and the New German Cinema Reading films from East West and post unification Germany together Baer argues that contemporary German cinema is characterized most strongly by its origins in and responses to advanced capitalism Informed by a feminist approach and in dialogue with prominent theories of contemporary film the book places a special focus on how German films make visible the neoliberal recasting of gender and national identities around the new millennium *Gender and Global Restructuring* Marianne H. Marchand,Anne Sisson Runyan,2010-09-13 In this new edition of this best selling text interdisciplinary feminist experts from around the world provide new analyses of the ongoing relationship between gender and neoliberal globalization under the new imperialism in the post 9 11 context Divided into Sightings Sites and Resistances this book examines the disciplining politics of race sexuality and modernity under securitized globalization including case studies on domestic workers in Hong Kong heteronormative development policies and responses to the crisis of social reproduction and colonizing responses to AIDS in sub Saharan Africa migration human rights and citizenship including studies on remittances the emergence of neoliberal subjectivities among rural Mexican women Filipina migrant workers and women's labor organizing in the Middle East and North Africa feminist resistance incorporating the latest scholarship on transnational feminism and feminist critical globalization movement activism including case studies on men's violence on the Mexico US border pan indigenous women's movements and cyberfeminism Providing a coherent and challenging approach to the issues of gender and the processes of globalization in the new millennium this important text will be of interest to students and scholars of IPE international relations economics development and gender studies *The SAGE Encyclopedia of LGBTQ Studies* Abbie E. Goldberg,2016-05-10 This far reaching and contemporary new Encyclopedia examines and explores the lives and experiences of Lesbian Gay Bisexual Transgender and Queer LGBTQ individuals focusing on the contexts and forces that shape their lives The work focuses on LGBTQ issues and identity primarily through the lenses of psychology human development and sociology emphasizing queer feminist and ecological perspectives on the topic and addresses questions such as What are the key theories used to understand variations in sexual orientation and gender identity How do Gay

Different from the Others Cyd Sturgess, 2022-11-11 For much of Europe the interwar period was one of cultural expansion and diversion and increased visibility for lesbians While historical research on Germany during the period immediately after the First World War has been extensively studied by historians through the lens of gender and sexuality with an implicit emphasis on the masculine dimension of queer female sexuality the Dutch context has been virtually ignored Through careful and sensitive studies of medico social discourses media representations and literary depictions of queer femininity *Different from the Others* recovers the submerged history of queer feminine women in both Germany and the Netherlands Cyd Sturgess provides a theoretical analysis that makes key empirical contributions to the history of Dutch gays and lesbians while reframing our collective understanding of queer femininity more broadly

Heteroactivism Catherine Jean Nash, Kath Browne, 2020-10-29 Around the world LGBTQ activists have won an unprecedented series of political victories from marriage equality to increased representation in government But this success has sparked a backlash While there has been much scrutiny of the role of the Christian right in opposing LGBTQ equality in the US the backlash goes far beyond these traditional elements and also extends beyond the US to countries including the UK Ireland and Canada In this book Nash and Browne consider the rise of the new heteroactivism showing how social media and new sources of funding have reinvigorated the opponents of LGBTQ rights They also show how the rhetoric and tactics of this new generation of heteroactivists differ from that of their predecessors exploiting notions of parental rights and freedom of speech to assert heteronormative values in spaces ranging from schools to workplaces They also reveal the increasingly transnational nature of anti LGBTQ activism with growing links between heteroactivists in the US UK and beyond

Befriending the Queer Nineteenth Century Michael Borgstrom, 2020-12-14 *Befriending the Queer Nineteenth Century* Curious Attachments addresses a longstanding question in literary and cultural studies how can a case be made for the ongoing value of the humanities without an articulation of that field's social effects In response this book examines how readers befriend works of literature overtures that are based in a curiosity about the world that help those readers to appreciate the world anew As an instance of this dynamic it examines how the contemporary social interest in queerness can be contextualized through encounters with texts produced during an earlier era of queer flux the U S nineteenth century The book offers first hand accounts of such meetings weaving within its analysis reports on readers engagements with literature and the consequences of those connections It frames such dynamics as central to a new politics or to finding a vocabulary for

The Future of American Higher Education Joseph L.

DeVitis, 2023-07-03 This impressive anthology presents the reader with an introduction to a gallery of public intellectuals through the critical eyes of a wide array of contributing writers from various academic fields Both the latter and the public intellectuals themselves are responding to the state of American higher education Importantly most of them there are a few public intellectuals in the book who cling closer to the status quo do not separate colleges and universities from the political economic and social currents of American society They attack the realities of growing social inequality the intractable presence of institutional racism and the recurrent reliance on the free market as the arbiter of value Public intellectuals assess the impact of these social factors on the organization and practices of contemporary American higher education They force the reader to consider serious challenges to the current arrangement of higher learning and as such they ask us to assess the efficacy of their respective perspectives Do they present the reader with insight or idealism pathways or dead ends This compendium provides an abundance of ideas for higher education leaders policy makers faculty members trustees and governmental officials as well as social theorists and graduate students interested in higher education careers Richard Guarasci President Emeritus of Wagner College Just as our society is polarized higher education is no less divided as to its mission and purpose whether it should be preparing students for employment or for engagement as citizens whether it should be corporatist and profit driven or promote intellectual curiosity and independent thinking and whether it should pursue a neoliberal agenda or promote a liberal education Whose scholarship culture and epistemologies should be validated Should it be a private or a public good Preserve tenure or erode it What role should colleges and universities play in addressing economic inequality and systemic racism The answers to these questions are critical for the future of our society as our universities and colleges are the nurseries of the values and philosophies that shape it The chapters in this book review the contributions of seventeen public intellectuals who have been at the forefront of these issues and significantly contributed to these debates Each describes the genesis of each scholar's ideas and presents and critiques his or her core insights and arguments The seventeen public intellectuals represent a spectrum of opinion from the conservative to the progressive At this pivotal moment when much of higher education is in economic crisis and public trust in it has been eroded this book offers a robust entry point for considering the options and directions ahead for anyone in a leadership position The book will also be valuable for higher education courses to stimulate debate about these critical issues and introduce readers to the seminal thinkers in the field Public Intellectuals Presented Stanley Aronowitz Michael B.
