The Book of Imitation and Desire: Reading Milan Kundera with Rene Girard Trevor Cribben Merrill, 2013-03-14 Trevor Cribben Merrill offers a bold reassessment of Milan Kundera's place in the contemporary canon Harold Bloom and others have dismissed the Franco Czech author as a maker of period pieces that lost currency once the Berlin Wall fell Merrill refutes this view revealing a previously unexplored dimension of Kundera's fiction Building on theorist Ren Girard's notion of triangular desire he shows that modern classics such as The Unbearable Lightness of Being and The Book of Laughter and Forgetting display a counterintuitive and bitterly funny understanding of human attraction Most works of fiction and most movies too depict passionate feelings as deeply authentic and spontaneous Kundera's novels and short stories overturn this romantic dogma A pounding heart and sweaty palms could mean that we have found the One at last or they could attest to the influence of a model whose desires we are unconsciously borrowing our amorous predilections may owe less to personal taste or physical chemistry than they do to imitative desire At once a comprehensive survey of Kundera's novels and a witty introduction to Girard's mimetic theory The Book of Imitation and Desire challenges our assumptions about human motive and renews our understanding of a major contemporary author

Let Us Build Us a City Tracy Daugherty, 2017-03-15 With Let Us Build Us a City Tracy Daugherty considers the principles of literary art in a series of

essays that focus on the nature of artistic vision and the creative individual's relationship to the world. The book reads like a master class on writing as practice while performing a deep reading of art and life and looking to discern why liberal education matters so much to our society. At its core *Let Us Build Us a City* is a work of cultural and literary history combining memoir of the author's experiences as a student and teacher of literature and writing with analysis and speculation. Daugherty exploits a variety of forms to explore literary apprenticeship and mentoring, philosophy, politics, metaphysics, and American history. In particular, Daugherty focuses on the creative impulse and the diverse ways in which individual writers apply their imaginations to their craft. Along the way, he offers multiple faces of creative practice within it. *Let Us Build Us a City* is a stirring defense and timely renewal of our national literary vision. **Here Comes the**

Bogeyman Andrew Melrose, 2012-03-12 *Here Comes the Bogeyman* is an essential text focussing on critical and contemporary issues surrounding writing for children. Containing a critically creative and a creatively critical investigation of the cult and culture of the child and childhood in fiction and non-fictional writing, it also contains a wealth of ideas and critical advice to be shared with writers, students of children's writing, and students of writing. With scores of published children's fiction books and films to his name, Andrew Melrose shares his extensive critical teaching, writing, and research experience to provide a critical and creative investigation of writing and reading for children in the early, middle, and pre-teen years, an accessible and critically important challenge to the latest international academic research and debates in the field of children's literature and creative writing, an evaluation of what it means to write for a generation of media-savvy children, encouragement for critics, writers, and students to develop their own critical, creative, and writing skills in a stimulating and supportive manner, guidance on writing non-fiction and poetry, creative writing craftwork ideas which could be used as seminar topics or as individual reflections. This one-stop critical and creative text will be an indispensable resource for critics, writers, and students interested in the cult and culture of writing for children, on Creative Writing BA and MA programmes, Children's Literature BA and MA programmes, English BA and MA programmes, Teacher Training PGCE students, and for those studying at Doctoral and Post Doctoral level who are interested in writing for children. *The Way of Story, the Craft*

and Soul of Writing Cathrine Ann Jones, 2000-09 *The Many Drafts of D. H. Lawrence* Elliott Morsia, 2020-10-15 Winner of the DHLSNA Biennial Award for a Book by a Newly Published Scholar. Exploring draft manuscripts, alternative texts, and publishers' typescripts, *The Many Drafts of D. H. Lawrence* reveals new insights into the writings and writing practices of one of the most important writers of the 20th century. Focusing on the most productive years of Lawrence's writing life between 1909 and 1926, a time that saw the writing of major novels such as *Women in Love* and the controversial *The Plumed Serpent*, as well as his first major short story collection, this book is the first to apply analytical methods from the field of genetic criticism to the archives of this canonical modernist author. The book unearths and re-evaluates a variety of themes, including the body, death, love, trauma, depression, memory, the sublime, selfhood, and endings, and includes original transcriptions as well

as reproductions from the manuscripts themselves By charting Lawrence s writing processes the book also highlights how the very distinction between process and product became a central theme in his work **Transformative Fictions** Daniel Just,2022-07-27 **Transformative Fictions** World Literature and Personal Change engages with current debates in world literature over the past twenty years addressing the nature of literary influence in centers and peripheries the formation of transnational literary and pedagogical canons and the role of translation and regionalism in how we relate to texts from around the globe The author Daniel Just argues for a supranational but sub global perspective of regions that emphasizes practical reasons for reading and focuses on the potential of literary texts to stimulate personal transformation in readers One of the recurring dilemmas in these debates is the issue of delimitation of world literature The trouble with the world as a frame of reference is that no single researcher is bound to have the in depth knowledge and linguistic skills to discuss works from all countries In response this book revives literary theory and recasts it for the purposes of world literature by making a case for the continuing relevance of literature in the age of new media With the examples of fictional and nonfictional writings by Milan Kundera Witold Gombrowicz and Bohumil Hrabal Just shows that regional literatures offer differing methods of activating readers and thereby prompting personal change This book would be of general interest to anyone who wants to explore personal change through literature but is particularly indispensable for literary professionals researchers and postgraduate and graduate students **Milan Kundera Known and Unknown** Karen von Kunes,2024-11-14 This collection of essays offers crucial and luminous insights into one of the best known Czech authors Milan Kundera including his lesser known works With essays that focus on Kundera s poetry and plays his last four novels written in French and his nonfiction writings on the novelistic form and translation Milan Kundera Known and Unknown explores the complex and productive career of this globally recognized author The approach begins by examining Kundera s distinctive literary style and then how his voice radiated outward from the small communist country of Czechoslovakia to the world Starting as a poet and playwright Kundera transcended the Czech literary scene and rose to global prominence with his novelistic style of variations paradoxes humor and clairvoyance into human relationships mixed with political tensions His multi dimensional existential topics introduced complex novelistic characters that have reached a large audience and remain evocative Kundera also critically commented on creative works his own and of others thus contributing a unique approach to a specific aesthetic ideal and within the masterworks of world renowned authors Chapters on Kundera s aesthetics and form his philosophical leanings his relationship to the burgeoning concept of world literature and translations of his writings offer new perspectives on his life s work These insights shed light on Kundera s understudied works such as his early poetry and his recent French novels making connections between his early and later writing and cementing his literary legacy for English language audiences **Milan Kundera's Fiction** Karen von Kunes,2019-05-20 In Milan Kundera s Fiction A Critical Approach to Existential Betrayals Karen von Kunes traces Kundera s literary aspirations to a single episode in Czechoslovakia in the

Stalinist era This moment attracted international attention when a 1950 police report was released in 2008 Reporters rushed to judgment accusing Kundera of denouncing Miroslav Dvořák to the police resulting in Dvořák's immediate arrest and sentencing to hard labor von Kunes debunks this shocking charge in a systematic way and argues that Kundera reported a suitcase not a man She ties Kundera's dominant themes of sex betrayal and political denouncement to the suitcase a fatal instrument that can lead to paradoxes and unforeseen and catastrophic coincidences for his characters Encyclopedia of World Writers, 1800 to the Present Marie Diamond, 2020-07-01 In recent years schools have started introducing more inclusive syllabi emphasizing the works and ideas of previously overlooked or underrepresented writers Readers of all ages can now explore the rich contributions of writers from around the world These writers have various backgrounds and unlike most writers from the U S or the United Kingdom information on them in English can be difficult to find Encyclopedia of World Writers 1800 to the Present covers the most important writers outside of the U S Britain and Ireland since 1800 More than 330 insightful A to Z entries profile novelists poets dramatists and short story writers whose works are anthologized in textbooks or assigned in high school English classes Entries range in length from 200 to 1 000 words each and include a biographical sketch synopses of major works and a brief bibliography Dozens of entries are new to this edition and many existing entries have been updated and significantly expanded with new Critical Analysis sections Coverage includes Chinua Achebe Margaret Atwood Roberto Bolaño Albert Camus Khalid Hosseini Victor Hugo Mohammad Iqbal Franz Kafka Stieg Larsson Mario Vargas Llosa Naghib Mahfouz Gabriel García Márquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more *The Rough Guide to Classic Novels* Simon Mason, 2008-05-01 Get the lowdown on the best fiction ever written Over 230 of the world's greatest novels are covered from Quixote 1614 to Orhan Pamuk's Snow 2002 with fascinating information about their plots and their authors and suggestions for what to read next The guide comes complete with recommendations of the best editions and translations for every genre from the most enticing crime and punishment to love sex heroes and anti heroes not to mention all the classics of comedy and satire horror and mystery and many other literary genres With feature boxes on experimental novels female novelists short reviews of interesting film and TV adaptations and information on how the novel began this guide will point you to all the classic literature you'll ever need *Modern Czech Literature: Writing in Times of Political Trauma* Andrew M. Drozd, 2025-05-20 Modern Czech culture has experienced a series of political traumas starting in the 1930s Despite the difficult shifting conditions Czech writers have not only managed to contend with the situation but have produced many fine literary efforts This volume consists of seven articles by an international team of authors who are specialists in Czech literature The first four chapters treat very well known writers There is one chapter on Karel Čapek and his play The White Plague There are three chapters on Milan Kundera the internationally best known Czech writer with one of these chapters covering both Kundera and Bohumil Hrabal The last three chapters deal with more recent and or lesser known writers One chapter treats the Brothers Topol and the music

underground one chapter treats Czech literary responses to the period of the Normalization and the final chapter treats Eda Kriseov This volume presents new perspectives on Czech literature and will be of interest to specialists in Czech literature and history Central European literature and history Nazism and Communism For example although much has been written about Kundera the three articles provide further treatments of three different aspects of his work his ties to Russian literature his misogyny and the philosophical content of his novels Specialists interested in the period of the Normalization and after will find the last three chapters particularly useful The chapters are suitable for classroom use in courses in both Czech literature and Czech or Central European history All material from Czech language sources presented in the chapters is given in English translation
